2. Forbid any transfer of spirits from anyone or anything to you. Also forbid any transfer of virus, disease, sickness, or infirmity to you and your family.
3. Put on the armor of God see *Ephesians 6:10-18*, pray this scripture, and personalize it to you.

Maintain your home by cleaning out all ungodliness, praying over it, and dedicating your home to the Lord for your protection. If you have defiling objects in your home it gives the devil the legal right to harass you and create spiritual activity in your home.

1. Remove all occult books and objects, ungodly rock music, souvenirs, and Jewelry that would give the devil the legal right to bother you. The rule is if Jesus visited you at home what would you be ashamed of if he saw it. Then it must go.
2. Pray over your home by anointing every window and door in every room of your house and pray over the rooms asking God to cleanse and sanctify the rooms while asking him to forgive any known or unknown sin that may have been committed in that room.
3. Walk the perimeter of your property line once, and claim the property for the lord dedicating it to him. Make sure in doing that, that you anoint your cars and pray over them as well.

Be aware of your activities and ungodly influences in your life.

1. Beware of taking into your mind and spirit ungodly television, movies, music, and the internet.
2. Keep away from ungodly and perverse family, friends, or relatives that will lead you down a path of destruction or sin. Especially with drugs and alcohol.
