Bible Reading Guides and Luncheon

Care Net Center Offers Help and Healing

CARE Connect is a quarterly meeting for women interested in the CARE post-abortion recovery group, providing a supportive space to meet leaders and ask questions. All women, regardless of where they are in their healing journey, are welcome to attend. There is no pressure to share; listening to others' experiences and how God helped them can be a vital step toward healing.

CARE Groups are eight-week, confidential, abortion-recovery groups, where hope and healing are possible. Contact the center for details. CARE Groups are offered several times a year and in multiple formats: group, one on one, online, and in-person options. Just want to talk with someone and ask questions? Their team is here for that, too. Text CARE GROUP to 509-925-2273 or email caregroup@carenetellensburg.org and a member of the CARE team will contact you with more information.

Sanctity of Human Life Sunday

Since the 1980s, churches with pro-life convictions have been observing Sanctity of Human Life Sunday on the Sunday closest to the Roe v. Wade Supreme Court Decision in 1973 that opened the doors to abortion on demand in every state in the nation. In contrast to that decision, we affirm that human life is sacred and should be protected in law and nurtured in practice.
