

Shared Ministry Worship Event

We have been floating on...
joy, gratitude, exhaustion, respect, love, accomplishment, forward dreaming and what's next...

Thank you to this community of believers, here at GSLC! Regardless of where you looked; in the chairs, choir, praise band, usher corners, greeters at the entrances, counters, food servers, youth, and all the other moments and tasks we can't even remember, Good Shepherd joined in community, shared a posture of good will, love and openness for extended partnership. This was a first attempt at building relationships and doing what we, the Wausau area ELCA do. Worship. Love God, Love Each Other. Repeat. There is so much to take in and so we will float some more! If you were there, share your stories! If you were with us in spirit, it is likely there will be more opportunities in the near future. Your feedback is valued. Your respect is coveted. EVERYONE and EACH CONGREGATION gave everything they had to make this the best experience for those attending. Each song sung that day offered unique nuggets for us to live into. As the final choir piece was sung, "We Are A Fellowship of Believers" helped us to see ourselves as a strong and united ELCA body of Christ ready to step into whatever the next chapter might be. STAY TUNED!

ELCA Youth Gathering Informational Meeting

Sunday, August 20 | 6:30 pm

We missed the last round of this awesome event due to Covid, so let's not miss out this time! In July 2024 New Orleans will welcome the ELCA Youth Gathering with thousands of high school youth from across the country.

This is a life-changing event for most youth who attend. They see their faith in a whole new light through service, fellowship and worship. Top notch speakers, music groups and other performers hit the stage during the 4-day event. Great food and lots of fun top it off.

Please join me on Sunday, August 20 at 6:30 pm at Good Shepherd to learn more about this opportunity. Attending doesn't commit you to go; it just gives you the chance to see what this Gathering is all about. Students entering 8th through 12th grades this fall are eligible to attend. I encourage parents to come learn some details along with their youth.

If you can't attend but want to join remotely or another time, please contact me at 715-212-3633.

Blessings, Tim Holcomb

MSP/Shared Ministry Worship Event July 2023

This past Sunday, 7-16-23, Good Shepherd, along with 7 other Wausau area ELCA congregations, hosted a unique and powerful service of worship and praise. This lay directed service was the first of its kind in this area and in the East Central Synod of Wisconsin. Whether you were able to attend or not, we are seeking your feedback!

1. How did the Spirit move you in this service?
2. What can we do differently in future shared worship events?
3. If you were unable to attend, why?
4. Would you attend a similar multi-congregational event in the future?
5. Other thoughts you'd like to share.

There has never been a better time to consider participating in Lay School. As we rise to take on new forms of leadership, such as being assisting ministers, or writing and presenting our own written sermons, Lay School can provide trusted education in theology, worship practices, and so much more! If you have questions, feel free to reach out to Kartika or Angie. Did you know that over the years, many of our members are Lay School graduates?

There is a little summer left to enjoy, but right around the corner, Good Shepherd will be abuzz! Rally Sunday will help to launch Faith Formation programs, Bible studies, music ministries and Sunday Fun Days. Collaborating opportunities will pop up. Outreach ministries like Trunk or Treat, God's Work. Our Hands., blood drives, quilting and community dinners are on the calendar. Stewardship 2024 is just over the horizon, and so much more! These are all fantastic ways we live out our baptismal promises, help advocate for the most vulnerable and deepen our knowledge and faith. We can't do this without you! We don't want to do it without you! Let us be Church together, side by side. Watch for sign-ups and opportunities. Answer the call and the phone or emails. We are miraculously created with so many gifts and talents! Please think about the better world we can have if we share them!

- Agenda Review/Approval (**MSC: Andy/Shelly**)

June Treasurer/Financial Report

- Cory presented June numbers including some extra income from Employer Retention Credits and interest from Q2
 - We budgeted \$130,000 in contributions for the first half of the year. We received \$124,050 in contributions, leaving Good Shepherd **\$5,950 below our budgeted income.** We had \$118,329 in regular expenses and budgeted for \$123,316. Income vs. expenses for the 2nd quarter leaves us with a positive \$4,987. This excludes any government credits.
 - Tony asked how we present the financials to the congregation so that we can realistically report that GSLC is still ~\$2000 /mo. expenses over income. It was requested to include Cory's summary in the newsletter.
 - (**MSC: Laurie/Cheryl**)

Our Response to the Word

May Financials Approval

- Cory adjusted May financial report and corrected errors

Ministry Site Profile (MSP) Survey Results Update

- Committee met to review survey results put together by Paul and Joann Grewe.
- Not many surprising comments and was what the committee expected
- Building a sense of community was a top answer for many respondents for a new pastor's responsibility
- 85% of survey respondents have been attending GSLC for over 10 years
- The Committee feels they have all the information they need from the congregation at this time. There is more to complete if and when we decide we would call another Pastor.

Town Hall Meeting/Shared Ministry/President's Meeting Summaries

- Council members in attendance at the Town Hall meeting last Sunday stated it was the best, most informative, and direct meeting they had been a part of. Lots of good questions were asked and a lot of good feedback was given.
- A long discussion was had on shared ministry and why the Synod was not more heavily involved. The Synod is there for guidance and support of the churches, but they are not staffed or equipped to be there every step of the way for every church. Church leaders, along with the backing of their respective councils, are leading the way in this endeavor, and
- are relying on the Synod for support as needed. This not only lets the churches control their future but saves time and money by not having the Synod involved every step of the way.

- A meeting of Council Presidents of some area churches have begun meeting and getting to know each other, providing input on their respective church's situation, and provide feedback to each other. These are expected to continue, and input will be provided by Mike to the Council as needed.

Community Worship Discussion

- Ensured we're all set for setup, moving of stuff from GSLC
- Ride Share was discussed and announced but nothing ever came of it.

COVID Federal Government Check

- This money was given to GSLC for keeping their staff during the pandemic. Council discussed what to do with the money and it was recommended to leave in the General Fund in case a need arises
- An email was received with a suggestion to give employee bonuses to Angie and Kartika. It was discussed and mostly accepted by the council. It was thought that this bonus should be justified so it is understood by the congregation. Justification was discussed amongst council members and the Employee Retention Credit was received because we retained them both and they continued to work through the pandemic.
- **Motion made by Cory** to give both Kartika and Angie a bonus of \$1,000 for their continued great work throughout the pandemic. **Seconded by Chad** and passed by council.
