Dear Mr. Williams,

Florida State University Panama City is pleased to offer a full tuition and fees scholarship to the Miss Florida Pageant. The young women competing in your pageant embody the tenets of the Seminole Creed of Strength (Vires), Skill (Artes), and Character (Mores) by sharing the university's values of diversity and inclusion, academic excellence, responsible stewardship, transformative leadership, and engaging community. At FSU Panama City, students come first. We want young people who know what they want and aren't afraid to take advantage of whatever opportunities that come their way.

Our promise to the Miss Florida Pageant winners is to offer you resources to become the best version of yourself.

The Miss Florida Pageant has been offered two Florida State University Panama City scholarships for students offered admission to FSU Panama City for the Fall 2025/Spring 2026 academic year:

2 full tuition and fees scholarships for the entirety of their full-time enrollment while pursuing a bachelor's degree to the state winners of Miss Florida Pageant and Miss Florida Outstanding Teen.

Florida State University Panama City welcomes the young women to our FS PC family, and we send the competitors our best wishes as they compete for the Miss Florida crown.

Sincerely,

A handwritten signature in black ink that reads 'Susan Hogg'.
