

**FREDERICK
COUNTY
CORVETTE
CLUB**

FEBRUARY 27

NEWSLETTER

The February 2023 meeting of the Frederick County Corvette Club was called to order by President Christine Rummel at the Capital Crave restaurant.

NEW CLUB MEMBERS INTRODUCED:

New members Robin Maliszewsky ('77), Danny Burns ('99) and returning member Scott Ewine (multiple Corvettes) were in attendance.

PRESIDENTS REPORT:

The Annual FCCC Picnic will again be held Sunday, Aug 6 (always the 1st Sunday in Aug) at the same location as last year, the Walkersville Heritage Farm Park pavilion. A catered pig roast will be the main course, with chicken as well as pasta primavera for those who do not eat meat, and 3 sides (smoked mac & cheese, calico beans, and coleslaw). Food will be served at noon. As with previous years, members are encouraged to bring either an appetizer, side dish or dessert. The club will provide water, sodas, beer and seltzers.

The Club is still looking for brilliant ideas and suggestions for a regular monthly meeting venue. Ideally, we would find a private space with good food and drinks, separate checks, and plenty of safe parking. Thursday is our preferred night but we are open to other non-weekend nights.

Our friends at the Golden Gears Car Club of Frederick are having a Cruise-in Saturday April 8 at 5pm at the At Home Store, 1811 Monocacy Blvd in Frederick. Their 50th Anniversary Car Show is Saturday, May 6 from 9am – 2pm, same location, with a rain date of Sunday May 7. All FCCC members are encouraged to support our friends at Golden Gears.

The Libertytown Volunteer Fire Department is holding its 1st Annual Car & Truck Show on April 15 at the Libertytown Carnival Grounds. More information is available at LVFD17.org.

There will be a Funrun to Summit Point MotorSports Park on Sat Apr 22 to cheer on FCCC member Charlie Abell in his 1st corvette race of the season. More details to follow.

A Funrun to Luray Caverns is being planned for Sunday, May 7. More details to come.

A Funrun to the Schuylkill Fire Museum is being planned by Mike Hamilton for March 14. This is not necessarily a corvette funrun but interested parties should contact Mike.

Another Funrun is being planned for the W.R.Rudy's Country Store & Drug Store Museum in Mt. Airy on Sunday, May 21 with a rain date of May 28. Those interested will depart from Capital Crave and a lunch is being planned for Lorenzo's in Mt. Airy.

The Myrtle Beach Car Club is having its 26th Annual Car Show on Saturday, June 3.

The Willing Warriors Vettes for Vets Car Show is being held Saturday, July 15, at the Warrior Retreat at Bull Run in Haymarket VA. This is a great car show that many members have attended and enjoyed in the past. Registration is open online.

Corvettes at Carlisle is Thursday Aug 24 – Sat Aug 26. Anyone planning to attend is encouraged to register for the Fun Field and select the FCCC as your affiliation so we can maybe get a tent this year.

The FCCC Car Show at Westridge will be Saturday, Sep 16. Organizers are meeting Thurs Mar 2 at 6:30pm at a location that will be announced shortly and anyone interested in helping is invited.

An FCCC version of the cancelled Ocean City weekend is begin planned for Thurs Oct 12 – Sun Oct 15 at the Carousel in Ocean City. Book now if you are interested.

The Christmas Dinner will soon be upon us. Our friends at Fratelli's are limited in the space they can promise so alternative venues are being considered.

Members are encouraged to check the website for other events.

VICE PRESIDENT'S REPORT:

The Club is looking for monthly funrun ideas and someone to organize them. See Cindy Clipp with ideas and interest in helping.

TREASURER'S REPORT:

Some members have still not paid their annual dues which were due in January. They are once again reminded and encouraged to pay Maryann as soon as possible.

APPAREL:

We will be taking new apparel orders at our March Meeting.

A WORD FROM OUR SPONSOR:

Mike Furman – National Corvette Specialist and FCCC Club member.

Mike is the No. 1 Corvette Salesperson in the World

Please contact Mike for assistance with your next Corvette Purchase
