CLUB SURVEY

The Club has circulated a survey for Members to express their opinions on certain topics. The club is looking for members feedback so that we can improve in 2023. All responses to the survey are anonymous.

The Survey can be found by clicking the link below.

FINANCES AND DUES

Overall Club finances were discussed, and the cost of the annual picnic along with other expenses (i.e., supplies for Westridge, storage unit, etc.) were presented. The Club heavily subsidizes the cost of the picnic by paying for the main course and the refreshments. Members help defray costs by providing sides and deserts. To keep up with rising costs, there is a need to consider raising the annual dues in the future to \$40 per immediate household. More information to come at the next meeting.

BYLAWS COMMITTEE

The Club needs bylaws to govern its mission, purpose and function. As such, a committee has been formed to draft the FCCC bylaws. Judy Brewer will be the chairwomen for this committee with the first meeting being held in early November

CORVETTE WEEKEND IN OCEAN CITY

To avoid the rain that complicated Thursday, some members traveled on Wednesday and some on Friday. The celebrations included fun around a fire pit, a tiki bar, a brewery tour, and cornhole. A special thanks to Doug and Sue May for organizing the

group dinner on Friday and to Doug and Sue for hosting everyone at their home after the parade on Saturday.

THE LAST FUN RUN OF 2022

Mike Hamilton has arranged a visit to a private antique car and truck museum on Sunday November 6 in Keymar, MD. We will meet at 10:15AM at Frederick Costco; departing at 10:30; arrive at the museum at 11AM, tour for a few hours, then lunch at Mountain Gate in Thurmont at 2PM. Rain or shine. Further details have been emailed and are on the Club calendar located on our website.

CHRISTMAS DINNER

Christmas dinner at Fratelli's on Thursday Dec 15 in lieu of the December meeting. A headcount is needed for everyone who is planning to attend. Menu, pricing, and timing will be discussed at the next meeting.

Apparel

The Club is offering printed T-shirts with the club logo; orders are being accepted. Look in your email for a link from Frankie to place an order. Money will be collected at our November meeting.

NOMINATIONS FOR CLUB OFFICERS

The following individuals were nominated for the respective officer positions for 2023 and have accepted the nomination.

President: Christine Rummel was nominated by Maryann Hamilton

*NOTE: nomination was accepted under the condition that someone else takes over as chair of the Westridge show

Vice President: Cindy Clipp was nominated by Mike Hamilton

Technology Officer: Frankie Smith was nominated by Maryann Hamilton

Treasurer: Maryann Hamilton was nominated by Tina Yingling

Secretary: Steve Linberg was nominated by Maryann Hamilton

Nominations will be open until next meeting, in which the voting for the 2023 officers will occur. Position descriptions for these offices need to be developed.

STORAGE

The Club agreed on the need for a storage facility for club property (tables, canopy, show supplies, etc.) which no longer fits at its current location. Don Clipp volunteered to investigate options and pricing.

EVENTS COMMITTEE

Cindy is planning a meeting to review the year's activities, including the Westridge show. More to follow. Let Cindy know if you are interested in helping plan for next year.

WESTRIDGE SHOW

Maryann provided a financial breakdown of the Westridge show, including the total sales for each station (water/soda, 50/50, silent auction, basket raffles, t-shirts, donations, etc.) The total raised for St. Jude was \$2455. This was more than double from last year. Congrats to all who helped make the show a success!

A survey will be circulated via email to club members to express their opinions and thoughts on the show (planning activities, the day of the show, etc.), including what we did well, what we learned, and suggested improvements moving forward. As with the Club survey, responses and feedback will be anonymous. This information will be reviewed in a meeting

MEETING WRAP-UP

47 Members were in attendance. \$163 was raised in the 50/50 raffle with the winner taking home \$82. The next meeting is scheduled for Thursday, Nov 17 at 7PM at Capital Crave – come early if you would like to eat beforehand.
