

SRS Racer Payout Program

In an effort to give back to our valued customers and the racing community, we at Simpson Racing Solutions have developed a Racer Payout Program. Essentially the program works like this:

1. Purchase products and services from SRS.
2. Display official SRS Payout Program decals on your vehicle.
3. Get rewards at eligible events when you perform well.

There are six categories that carry racer payout rewards: SRS Engine, SRS Dyno Testing & Tuning, SRS Racing Equipment, SRS Brakes, SRS Serviced, and SRS Suspension.

Currently, we have developed the Payout Program for Area27 GTU racers and drag racers. Please see the appropriate section(s) for further details.

GTU Racer Payout Program

HOW TO BECOME ELIGIBLE...

- Current owner of car must have purchased a minimum of \$1,000 shop labour and/or dyno testing from Simpson Racing Solutions within the last six months regardless of item(s) being claimed. All work must have been performed on the eligible GTU car.
- The eligible car must display official SRS Payout Program decals on the right and left side of the vehicle in an upright, level, and visible location. Decals must be in good, legible condition at the start of each race day. Replacement decals are available from SRS if needed.
- Each payout category must have had the associated work performed at SRS within the last twelve months. For example, if "RACING EQUIPMENT" (helmet, tire pressure gauge, gloves, etc) is being claimed, then eligible items must have been purchased from SRS within the last twelve months for the "SRS EQUIPMENT" payout program decal to be eligible for payout. Please see the list of eligible items for further information.

PAYOUT STRUCTURE...

- There are a total of six SRS Payout Program categories that are eligible: engine work, dyno testing and tuning, racing equipment, brakes, service, and suspension. Each item is paid out separately providing the corresponding SRS Payout Program decal(s) is/are displayed on the eligible GTU vehicle and the eligibility criteria has been met for each claimed category.
- \$25 credit towards SRS shop labour will be awarded for a top 10 finish in each GTU race for each SRS Payout Program decal displayed. \$150 per race total eligibility.
- \$50 credit towards SRS shop labour will be awarded for a top 5 finish in each GTU race for each SRS Payout Program decal displayed. \$300 per race total eligibility.
- \$75 credit towards SRS shop labour will be awarded for a podium (top 3) finish in each GTU race for each SRS Payout Program decal displayed. \$450 per race total eligibility.
- \$100 credit towards SRS shop labour will be awarded for a first place finish in each GTU race for each SRS contingency decal displayed. \$600 per race total eligibility.

HOW TO COLLECT CONTINGENCY EARNINGS...

- Provide Chris at SRS with the following information: photo of eligible GTU car from the day of race, receipts of work performed that made car eligible for each payout category, and official Area27 race results. These items can be emailed to Chris at simpsonracingsolutions@gmail.com.

GOOD LUCK GTU RACERS!

Drag Racing Payout Program

HOW TO BECOME ELIGIBLE...

- Current owner of vehicle must have purchased a minimum of \$1,000 in shop labour and/or dyno testing from Simpson Racing Solutions within the last six months. All work must have been performed on the eligible vehicle.
- The eligible vehicle must display official SRS Payout Program decals on the right and left side of the vehicle in an upright, level, and visible location. Decals must be in good, legible condition at the start of each race day. Replacement decals are available from SRS if needed.
- Each claimed payout category must have had the associated work performed at SRS within the last twelve months. For example, if "RACING EQUIPMENT" (helmet, tire pressure gauge, gloves, etc) is being claimed, then eligible items must have been purchased from SRS within the last twelve months for the "SRS EQUIPMENT" payout decal to be eligible for payout. Please see the list of eligible items for further information.

PAYOUT STRUCTURE...

- There are a total of six SRS Payout Program categories that are eligible for payout: engine work, dyno testing and tuning, racing equipment, brakes, service, and suspension. Each item is paid out separately providing the associated SRS Payout Program decal(s) is/are displayed on the eligible vehicle.
- \$50 credit towards SRS shop labour will be awarded for a runner up finish at each eligible event, at an approved drag racing venue, for each SRS Payout Program decal displayed. \$300 per event total eligibility.
- \$100 credit towards SRS shop labour will be awarded for a win at each eligible event, at an approved drag racing venue, for each SRS Payout Program decal displayed. \$600 per event total eligibility.

HOW TO COLLECT EARNINGS...

- Provide Chris at SRS with the following information: photo of eligible vehicle from the day of event, receipts of work performed that made vehicle eligible for each payout category, and official track race results for race day(s) claimed. These items can be emailed to Chris at simpsonracingsolutions@gmail.com.

Good Luck Drag Racers!
