Essex, SS2 4FA

Kit Policy for Players and Parents/Guardians

In this document, the term “**Kit**” refers to the playing kit, the set comprising of Shirts, Shorts & Socks as defined below.

Definitions

Home Kit

The standard home kit will comprise of:

- Shirt & Shorts - predominantly Royal Blue with a White Stripe down the side (body, arm or leg).
- Socks - Royal Blue.

Away Kit (where applicable)

The standard away kit will be the same as the Home Kit, with the following difference:

- Shirt - predominantly White with a Royal Blue Stripe down the side (body or arm).
- Shorts - predominantly Royal Blue with a White Stripe down the side of leg.
- Socks - Royal Blue.

Kit Management

All playing kit remains the property of Trinity FC irrespective of sponsorship or sources of funding.

Each team kit is expected to have a minimum of 2-year life with its original team.

All playing kit is to be returned to the Team Manager should a player decide to leave the club or seek to transfer to another team or club. Any player seeking to transfer to a different team or club will not be given clearance to do so until all kit has been returned to the Team Manager as part of the process of ensuring all outstanding debts etc. are cleared.

When a team kit is replaced, it should be returned to the Trinity Kit Manager, appropriately cleaned and sorted, so that it can be assessed, and then stored, disposed of or re-used, as required.

Unless provided by the Club, all other items of clothing or equipment are the responsibility of the Team Manager who has discretion to determine their ongoing use.

Responsibilities

The club believes that each team kit should last 2 years, although it may be reissued to a different team after being returned. Therefore, the club relies on players, parents, and managers to look after each kit:

- Look after and be responsible for their kit during the season.
- You must not wear the kit other than playing matches for Trinity FC.
- Keep the kit clean and in good condition and follow the washing instructions.
- Return all kits to the Team Manager when requested.
- Lost or replacement items will be dealt with on an individual case basis by the Kit Liaison Manager and the team manager.

Washing Instructions

Washing Instructions for printed garments:

- AVOID all bleaching agents and fabric softeners
- Wash at 30c or below
- Do not tumble dry
- Do not iron
- Wash garments inside out
- Separate the socks from the jerseys and shorts
