2. GRAND MASTER'S ADDRESS

Sir Knights, it gives me great pride and pleasure to address you for the Final time as Grand Master. The Order itself has come a long way since my involvement first as Grand Secretary then as Most Worthy Grand Master. Seeing our numbers rise, then fall when America was annexed and made a sovereign body on its own right.

Sir Knights, I was very upset with this outcome and was asked many times by our American brethren why they were not wanted whilst I was over there. The answer, I knew, but was not able to give them.

Back here in Europe we have seen the rise of Chapels in France culminating in a Province of France being formed. In the UK, we have increased considerably and still have over one Hundred Chapels under our jurisdiction. I understand that there are three or four other Chapels which could have been Consecrated but have been held back for what reason, I do not know.

In October, this Year we saw the culmination of our four-year Festival for Canterbury Cathedral, when I presented them with a Cheque for Thirty-Five Thousand Pounds. What an achievement that is from an Order the size of ours. My special thanks go to the Chairman, Sir Anthony of Horseford, Tony, I'm so proud of your efforts and my thanks go to you Sir Knights for your support.

It has been an eventful four years and four months. The last eight months has been a web of deceitfulness and untruths, culminating with my retirement tour being rudely interrupted by the then Grand Prior, who after much acrimony, resigned his office.

Today sees the beginning of a new era, however before it begins a fresh look must be given to our Constitutions, as there are many irregularities in Procedure and I suspect that possibly none of the Amendments since 2009 have been approved by Grand Masters Council.

In Revision 6, dated 30th April 2016, vast changes were proposed, not approved by me, the executive committee or the Board of General Purposes, even though they were signed by the then Grand Secretary, purported on my behalf.

I will not be proceeding with the next item due to the irregularities in the constitution and the failure of the Board of General Purposes to specifically to nominate Sir Brian of Alrewas.

I sincerely apologise to Sir Brian of Alrewas, and I feel for the good of the Order that I must perfect the Constitutions and ensure that he is properly nominated and Installed at the next Grand Masters Council in 2017.

I intend to immediately form an executive committee for the sole purpose for amending the Rules and Constitutions and submitting them to this Council at a special meeting or at the Grand Masters Council on December 29th 2017, and to ensure that all members of the Council are circulated with a copy of the proposed amendments to the Constitution, Rules and Regulations for consideration. Also, that notice of motion is given that the rules and regulations will be submitted for the approval and ratification at the next Grand Masters Council either before or on December 29th 2017. Thank you for your patience in listening to my address.

God Bless you all.

The minutes of the Grand Masters Council held in Littleover on Monday 29th December in the year of our Lord 2015, have been available at the secretaries table since 9.00 a.m. were submitted for approval.

Sir Geoffrey of Wellington, PAGMar, introduced himself and objected to the item Constitutions of the Order. He pointed out, the the two clauses amending Rule 6 & 8 had not been properly handled, in as much as they had not been included on the summons convening the meeting, thereby giving notice to the membership of a change in in the Constitutions of the Order.

There ensued a long and a times acrimoious exchange of views. It was disclosed that amendments to the Constitutions had not been included on the summons since Sir John (Loat) of Caverlie left office in 2009. During this time a considerable number of changes had been made, the validity of which was now called into question.

The clause regarding the Constitutions was withdrawn and the minutes were then approved. Sir Michael (Harradine) of Seasalter, Protector of Canterbury, Grand Prior, refused to sign the minutes following the striking out of the afore mentioned clause, Sir Melvyn of Wud Plumpton, signed them as correct.

The Grand Master was saluted.

The Grand Masters Address is shown in Section 2.

The Grand Treasurer submitted the accounts dated 31st August 2015 which had been previously circulated which following a report from Sir Daniel (Heath) of St Albans were approved following proposition form Sir Michael of Accrington and seconded by Sir Terence of Dreswlyn. Those accounts are included on the last page of these minutes. The accounts are reproduced in Section 5.

The Grand Master Honoured Sir Stan (Brown) of Croydon, to the honour and dignity of the rank of Knight Caritas, Sir Stan of Croydon recited his obligation was Invested and Proclaimed.

Sir John (Loat) of Caverlie KC then proposed Sir Melvyn of Wud Plumpton, KH as the Grand Master, Sir Andre' of Byron KH(USA), also a member of our constitution seconded the proposition. Sir Stephen (Priestley) of Harlethorpe, Grand Registrar, proposed Sir Brian (Price) of Alrewas as Grand Master as per the Board of General Purpose recommendation. This was seconded by Sir Michael (Beesley) of Accrington. The second proposition was dismissed by the Grand Master. Sir Geofrey of Wellington then addressed the meeting again and supported the Grand Master indicating the the BGP had not fulfilled its obligation to the membership by meeting again to submit the Propositon in the proper way.

Sir Brian (Price) of Alrewas, stood and gave his acknowledgement the Sir Melvyn is the Grand Master.

Sir Stephen (Priestly) of Harlethorpe, addressed the meeting and quoted extensively from the address given to Grand Masters Council on 29th December 2011 by Sir Barry of Ilford, Grand Master 1998 ~ 2003, now sadly deceased. This clearly showed that the 'preselection of Grand Master' is by the Executive Committee. The selection by the Grand Master is a technical selection in accordance with our established ritual.

Sir Melvyn dismissed the submission and proceeded to appoint his officers. At that point, several members stood and left the room. Sir Michael of Seasalter KH, Protector of Canterbury, Sir Raymond of Eastwood, PG Marshal, Sir Stephen of Harlethorpe, Grand Registrar and Sir Paul of Brownhills, PG Secretary, all announced their resignation from the Order as they did so.

The Grand Master requested that, Sir John (Loat) of Caverlie, KC, occupy the office of Grand Prior.

The Grand Master then appointed, obligated and invested, Sir Lee (Milross) of Bromley by Bow, RW Grand Preceptor for East Anglia as Grand Prior.

He then appointed Sir Terrence (Jones) of Dryslwyn as Grand Marshal.

The Secretary pointed out that the meeting had omitted the election of Treasurer and informed the meeting that Sir William (Summ) of Donnisthorpe was standing down due to ill health. The Secretary was only in possession of one nomination for the office, that of Sir Adrian (Bannington) of Epping, Assistant Grand Treasurer. Proposed by Sir Michael of Accrington and seconded by Sir Terrence of Dryslwyn. The Grand Master invited any other propositions, none were forthcoming and Sir Adrian was declared Grand Treasurer.

The Knights below were reappointed, appointed or promoted to Grand Rank and then invested by the Grand Master.

Sir Michael of Accrington proposed and Sir John of Caverlei, KH seconded that Sir Daniel of Daniel of St. Albans and Sir David of Epping Forrest be elected as Account's examiners for the ensuing year. The motion was carried.

The Secretary, Sir Michael of Accrington, then presented his report shown in Section 4

Constitution of the Order

The Secretary reported he had no changes to the BoC at present.

Numerous apologies had been recorded and are on an attached sheet and will be placed in the GMC Minute book.

Notice of Motion(s)

The Grand Secretary gave notice, that he would review the constitutions, and present amendments as required. He also gave notice that he would call an additional meeting of Grand Master Council, for the purpose of proposing and adopting those amended constitutions in a formal manner.

A Knight, Sir Thomas of Ashperton, stood and requested permission to address the meeting, the Grand Master agreed. Sir Thomas pointed out that he was due to be installed in the Masters Chair in April, and considered himself to be a 'lowly knight' and pointed to his bronze shell, he said that he was greatly disturbed by the events he had witnessed. The we should consider the Order to be far more important than any individual no matter what their rank. He was considering the continuation of his membership as a result. The meeting appeared to approve and agree with his statement.

The Grand Council was closed in due form at 1.02 p.m. to meet again on or before the 29th day of December in the year of our Lord, 2017.

The National anthem was sung.

17. ANNUAL PILGRIMAGE - 2017

- Date:** Date not known at time of publication. (Usual arrange published for general information only).
- Time:** 1.45pm (1345 hours) at Cathedral Gates (Buffet Luncheon available at Pilgrims Hotel from 11.30 am to 1.30 pm) Our Service should finish not later than 3 pm and Evensong at not later than 4.30 pm.
- Travel/Parking:** Canterbury is well served by rail, coach and bus services and the Cathedral and the Pilgrims Hotel are both within comfortable walking distance of both railway stations and the bus/coach station. There are several Park and Ride schemes in Canterbury which come close to both the Hotel and the Cathedral and they are reasonably priced. They are the best bet for car drivers as parking in central Canterbury is both difficult and expensive. **DISABLED DRIVERS** – It is possible for a limited number of cars for those with Blue Badges to park in the Cathedral grounds – please contact Stan Brown (contact details below) at least 14 days before the event if you need details.
- Cost:** No charge for the Pilgrimage itself. (Hot and Cold Fork Buffet luncheon - for those who have pre-booked only - £12)
- Choughs:** The Badge of a Pilgrim (Choughs) will be available at the Buffet Luncheon, if ordered in advance, and cost £10. The Cathedral authorities have asked us not to sell them in the Cathedral, or its grounds, so they must be collected from the Pilgrims Hotel.
- Evensong:** All attending the Pilgrimage are invited to join in Evensong at 3.15 pm (No charge)
- Accommodation:** Accommodation is available at various local hotels (A list of hotels is available on request). It is the responsibility of any Knight wishing to stay to make their own arrangements and pay the hotel directly. Many Canterbury Hotels do very good three night deals which may be worth considering.
- Eligibility:** Any Knight of the Order plus his wife/girl-friend/partner, neighbours, friends and children who should be old enough to appreciate the Service without disrupting it)
- Dress:** Gentlemen – Jacket and Collar and Tie (of the Order preferred to aid identification) – Ladies dress accordingly. Neither swords nor any other regalia of the Order are worn although members are encouraged to wear the tie of the Order as an aid to identification at the Cathedral Gates as they waive the entrance fee for us.
- Booking:** Please let Stan Brown (stan90@btopenworld.com – 020 8686 7445 – 07827 443326) or Larry Peer (lpeer@ntlworld.com – 01329 665996 – 07899 904945) know preferably by email or text message (requests in writing should be avoided) if you are attending and if you wish to dine (We need to know the number attending the Cathedral Service as well as the Buffet Luncheon to avoid the problem of lack of chairs in the Cathedral which is inconvenient and delays the proceedings).
- Payment:** Cash is NOT required with booking. Payment by cash on the day is the preferred method of payment.
- Queries:** Please contact Stan Brown, or Larry Peer, with any queries (contact details above). Nothing is silly. If you want to know something, ask us and, if we know, we will tell you. If we do not know, we will try and find out for you.

In deference to the age in which we live it is no longer requisite to perambulate from Southwark. Whilst some will Lunch at the Chaucer Hotel and walk from there the main assembly point is outside the Main Gate of the Cathedral. Those that complete the Pilgrimage are awarded the privilege of wearing the token of the Pilgrimage, which bears the arms of Thomas`a Becket, on the right shoulder of the mantle.
