GRAND MASTER'S ADDRESS 29TH DECEMBER 2014

Sir Knights, I am again humbled and extend my deep gratitude to you all for re-electing me as your Grand Master and it is again my honour to address you. It is a real delight to see such splendid support here at our Grand Master's Council meeting. I congratulate all of you of whom I have had the pleasure of appointing, reappointing or promoting and ask you all to continue the excellent work you are doing in your Provinces and Chapels.

My special thanks to all of the active officers who retire today, what a splendid team they have been in what has been another busy year.

You may recall that on the 21st February 2013 the Chapel of St Stephen number 36, meeting in Perth Australia, was the first chapel of the order to return their warrant. I was deeply saddened by this development and after investigation I discovered that the chapel was no longer viable due to a declining aged membership and being situated in a location where recruitment is very difficult. I decided to visit the Province of Australia South & New Zealand to show our support. This gave me the opportunity to install and invest the Grand Prior who was already in Australia at that time with his family and it also reduced the expense of the official trip as only I needed to travel.

We have consecrated another six new Chapels this year:

- Saint Jean d'Acre Chapel meeting in Paris
- Becket Provost of Beverley Chapel meeting in Beverley
- Light of Heaven Chapel meeting in Horndean
- Grão Mestre Desembargador Murilo Pinto Chapel meeting in São Paulo, Brazil
- Saint Martin of Tours Chapel meeting in Wareham
- Steanforde Chapel meeting in Stamford

I congratulate all of those who have been involved in the laying of the foundation stones.

We have many more chapels in the pipeline including two more in France and two in the USA, which will be consecrated by us before the USA becomes a Daughter Sovereign Order in its own right. It is a testament to the hard work and enthusiasm of you all that this order which only had one chapel until 1998 has grown to the point where we have been able to produce a Sovereign Commemorative Order of St Thomas of Acon of the USA. There is a strong concordat between us and we wish them well and look forward to many inter-visits.

We have an excellent team of quality Grand Preceptors showing great enthusiasm in the support of their own Provinces and Chapels but also supporting their neighbours. I also extend my thanks to Sir Roy of Haverhill, KC, who, has retired as G. Prec. For East Anglia leaving Sir Lee of Bromley-by-Bow as Provincial Prior in charge. I have the greatest of pleasure in announcing that his successor will be his successor.

I would now like to welcome our distinguished visitors in alphabetic order:

- Alan of Ely GM Royal and Select Masters
- Christopher of Chipping Sodbury Grand High Priest of the KTP or Order of Holy Wisdom
- John of Bishop's Stortford Supreme Magus SRIA
- Paul of Brownhills, KH Grand Clerk Worshipful Society Operatives
- Stephen of Harlthorpe Grand Recorder KTP

I would again thank you all for committing yourselves to the time and expense to be with us today. What I would also like to welcome our members from abroad this year and I would ask them to stand.

Our Welcome is with acclaim

Thank you to my Grand Prior, and Grand Marshal for their assistance during the past year. Also thanks go to our Grand Treasurer for managing the finances, I am pleased to report that we have a healthy bank balance. The administration team continue to manage the order with efficiency and I thank them all for their hard work. Our Pilgrimage to Canterbury Cathedral continues to be a key event in our calendar and was very well supported by our members and wives, we are gaining huge support and are getting to the point of possibly having to use the main body of the Cathedral for future occasions. We have establish a Festival for Canterbury to raise and present a significant cheque, The Project which we are to support is 'The Restoration of the North West Transept' this is an area of the Cathedral with specific relevance to our Order and the restoration has already been supported by the Mercers Company. The nature of the works and the connection with the Mercers is felt to be an extremely worthwhile project for our Festival. A recent (December 2014) BBC 2 /BBC 4 programme has been shown on the work of Canterbury Cathedral which in part dwelt on the repairs and the site of the martyrdom. The concept of Pilgrimage to Becket's Martyrdom is still a major part of the Cathedral experience and responsible for a high proportion of visitors. You may have seen the Dean standing in for the Archbishop delivering the Christmas Address and Blessing. Currently the Festival Fund is standing at £6302 and I thank you all for your contribution to this cause.

This year for the first time ever I have present the Grand Master's Award to Sir Alan of Ben Avon. This is an award which is given at my sole discretion and is to honour a member of the Order, regardless of Rank, for an outstanding contribution.

Thank you for listening to me
May God bless you all.

ANNUAL PILGRIMAGE

In accordance with the Ancient Traditions of the Order, subsisting as they have since time immemorial (according to Chaucer), Members of the Order take part in an Annual Pilgrimage to the shrine of its protector, the late St. Thomas à Becket. The Pilgrimage will take place on **Saturday, 24th October 2015**. Meet at main entrance to the Cathedral at 1350 hours. Hot and Cold Buffet luncheon available continuously at the Pilgrims Hotel (a short walk from the Cathedral) from 1130 hours until 1330 hours. The service should be over by 1515 hours at the latest and we are all invited, if we wish, to attend Evensong immediately afterwards. Any queries to Sir Stan of Croydon (Stan Brown) or Sir Lawrence of Stubbington (Larry Peer).

In deference to the age in which we live it is no longer requisite to perambulate from Southwark. Whilst some will Lunch at the Chaucer Hotel and walk from there the main assembly point is outside the Main Gate of the Cathedral. Those that complete the Pilgrimage are awarded the privilege of wearing the token of the Pilgrimage, which bears the arms of Thomas à Becket, on the right shoulder of the mantle.

RITUALS AND CONSTITUTIONS

Our Grand Secretary produces the Rituals and Constitutions of the Order on behalf of the Order which are distributed by the Grand Warden of Regalia. All orders should be sent directly to your Provincial Grand Secretary via your Chapel Secretary. For those Chapels not in a Province your Chapel Secretary can order through the Grand Secretary.
