2. GRAND MASTER'S ADDRESS TO GRAND COUNCIL 2019

Distinguished Guests, Worthy Knights, I welcome you all to this Grand Master's Council Meeting here today at Littleover.

Firstly, may I thank you for re-electing me as your Most Worthy Grand Master of this Great Order.

It is most pleasing to see so many Worthy Knights in support of our Order, along with all who are here for their Appointment or Promotions.

During the past year we have had a change of personnel in high office these being the Past Grand Secretary and the Past Grand Marshal, I am sure we wish them well and thank them for their input during their short stay in office.

I also had to appoint a new Treasurer as our previous Treasurer was struck down with ill Health, again thanks for the work he did for us, and may God be kind to him and give him some improving health.

Their replacements are as Grand Secretary, Right Worthy Brother Derek Cook (PGPrec East Anglia), Grand Treasurer, Worthy Knight Sir Christopher of Upwood and Grand Marshal Worthy Knight, Sir Stephen of Wirksworth. all of whom have been fully invested during the past year. All are working hard on our behalf, Thank You.

It is indeed a great occasion after the last Covid imposed isolation to meet again my Worthy Knights and Celebrate the triumph of Life and to thank the Lord for his Blessing and Deliverance that has allowed us to meet today.

It is indeed a great privilege to see our visitors from our daughter Council of the United States of America and to Welcome my Fellow Grand Master, and Firstly I would like to introduce him to you, Sir Joseph of Toftingell KH, Most Worthy Grand Master, accompanied by Worthy Knight Sir Rabi Seabeck and Worthy Knight Sir Aaron Shoemaker. Welcome Sir Joseph along with Sir Rabi and Sir Aaron and we hope you have a memorable stay with us today.

Also with us today, we have many heads of other Orders in Freemasonry. They are Right Worthy Knight Sir Paul of Brownhills KH, First Master Mason of the Worshipful Society of Free Masons, Rough Masons, Wallers, Slaters, Paviers, Plaisterers and Bricklayers.

We are very pleased to welcome Right Worthy Knight Sir Antony of Horseford KH, PPrec who is the Supreme Magus of the Society of Rosie Crucia in Anglia.

We also have with us the newly appointed and Invested Grand Master of the Knights Beneficent of the Holy City, Worthy Knight Sir Vivian of Margram, .PPrior of South Wales.

Along with these very busy Masons there are in our midst other Provincial heads of Orders who have come along today to enjoy this splendid meeting. We have so many please accept this welcome from myself and all our Worthy Knights with acclaim.

We seem to be in a time when our Brethren consider whether to come along to meetings, this is an uncertainty that has crept into Freemasonry in all Orders, and we must assure any one with these thoughts that we do care about this problem and they themselves, be assured we will try to keep everyone safe and well and most importantly Happy.

I understand that meetings are having a struggle with numbers of Worthy Knights attending due to the fear of Covid or flu, both of these unsavoury things can create havoc if we let them beat us, not forgetting we all should have had all the necessary inoculation's by now and be safely covered.

May I suggest that we try new ideas like have a breakfast meeting followed by a Chapel meeting or try meeting with a sister Chapel and supporting one another by exchange visits. Have White table nights and invite prospective members along to show them our happy order. Change the meeting days if required to increase our attendance, all these ideas are suggestions that you may consider. It has been a very busy year for our order in that we have had Consecrations, Division of four large Provinces, New Preceptors, Banner dedications, trips to Europe ie. France where I was summoned for a meeting with the Grand Master of the French Grand National Lodge, along with the Grand Secretary and Right Worthy Grand Preceptor for the Province of France Sir Dominique of Montmirail.

This was a very informal meeting held in the Grand Temple in Paris where the FGM has his office, he was very impressed with what was said, and I gave him assurance that we were loyal to him in France and that should he need assistance with any facet of our work we would do our best to accommodate him. He was very impressed with our Order and whilst not a member yet, I believe it could happen shortly. He did assure us he had no problem with this Order or its members whatsoever.

Worthy Knights I would like to mention Preceptors who have retired or departed this life Sir Christian of Marzan, KC, GPreceptor for the Province of France, Sir Roger of Canterbury, GPreceptor for South Eastern Counties, Sir Ian of Widcombe, GPreceptor for Wessex, Sir James of Kilmallog, GPreceptor for Cheshire and North Wales, Sir Ian of Horwych, GPreceptor for Lancashire, Sir Alan of Blackheath GPreceptor for Greater London, and last but no means least Sir David of Epworth. Grand Preceptor for Yorkshire and North East counties. It has been a pleasure to work with them all and they have been a credit to this Order. I am sure you all realise that our meeting today takes great planning and I would like to thank the Right Worthy Grand Preceptor for East Midlands Sir James of Tilchestune and his team for making the arrangements for today's meeting.

I understand this is the last time you are doing us this service for us all; we all owe you a great debt of gratitude and wish you a long retirement from this job. Thank You very much Sir James of Tilchestune. I must now bring your attention to a very important event in our History, that on the 29th December 1170 our Patron Saint, Thomas Becket was murdered in Canterbury Cathedral. It was going to be a time of rejoicing for our Order in his Memory, unfortunately we were overtaken by Covid and had to put on hold our celebration of 850 years since his Death by murder.

We had however made provisions for this event and today we will celebrate this by remembrance of our Ritual and its teachings.

We have had some mementos produced, these will be available to those who are not dining and will be available in the Foyer on Ground floor as you leave for Home, these are very reasonably priced as they are Free - you may only have one per member, this is because we only ordered a small number sufficient for today and a few spares. Please avail yourself of these as they will not be here next Year.

Following my address I will ask our Protector of Canterbury, Sir William of Marchwood to say a prayer of thanksgiving for the life and work of Gilbert Becket.

I must know enlighten you of things that lie ahead of us. As the Mother Council of this dynamic Order, we have received requests to take our Order to Bolivia, Singapore and just recently to India, notwithstanding other areas of Europe that are still untouched. We are looking at these areas for expansion and as you can see the continent of Asia is already being educated by other Fine Orders and we must grasp this opportunity with both hands and join them.

We are fortunate in the fact that we are in council with other Orders who are senior members of this Order and are willing to participate in what we are trying to achieve, also we would assist them when and where required at these overseas venues with other orders.

I have today had the pleasure to Promote and Invest many Worthy Knights, enjoy your new positions, always be ready to add your expertise should it be needed, take with you our admiration for all the work you have done to make this Order stronger, continue to support Craft, Chapter, and Knights Templar - these are the orders where our new Knights will come from.

Worthy Knights I have been rather disappointed that we have not had replies from a considerable number of Knights to be promoted. I am therefore going to bring to the attention of Provincial Preceptors that if these Knights who have not replied are reluctant to accept these promotions and fees then we should cancel these appointments forthwith, and that this will accordingly be done.

Worthy Knights it is most pleasing to see on my right all these smiling faces who work tirelessly on our behalf, what a fine body of men!

May our Preceptors on my right give you all wise council when required.

I thank you from us all.

Try to remember that when our day of reckoning is upon us, we can be ready, that we have always been Loyal to our fellow men and most importantly to our God!

Let us all move our Order forward as one and be content that we have all done our best for this beautiful order.

And lastly may I wish all three new preceptors The best of health, wealth and happiness in their new positions, may God Bless you and keep you,

Worthy Knights all I think I have kept you all long enough in the Temple today.

May we all enjoy the remaining part of our sojourn and dinning.

Thank You all for the kind attention to my address,

God Bless You all.

He carries a Sceptre with a large Gold Scallop Shell on the top. He wears a black collaret with gold piping and the letters "GM" in Gold on either side from which is suspended a gold-coloured Canterbury Cross of the Order. A Gold Scallop Shell (the same as that on a Grand Officer's mantle) is attached to the collaret above his Grand Officer's jewel and it is worn under the Mantle on top of his Tunic.

Members may, by dispensation, wear KT. Mantles and Tunics with the Badges of the Order when newly received into the Order, however, they are expected to obtain the correct Mantle and Tunic by the time that they are appointed as Prior.

4. GRAND SECRETARY'S GRAND MASTER'S COUNCIL REPORT – 29 DECEMBER 2022

Worthy Knights, after the pressures of the COVID-19 lockdown and a number of necessary changes concerning the running of our Order, it is so good to be able to see so many of you here at the Grand Master's Council Meeting after such a long time when we have been unable to meet.

As many of you will know, this is my first big challenge since my retirement as Right Worthy Grand Preceptor for the Province of East Anglia and my first six months in the role of Grand Secretary has been a bit of an eye opener, as the majority of those who have held this Office before me will no doubt be able to testify.

During my brief tenure, I have been working closely with our Grand Treasurer to get on top of the IT used by the Order, particularly the GMC Database which needed a great deal of attention – many of the Provincial Secretaries and Treasurers will have witnessed the work going on and I can safely say that we are moving in the right direction. I must also take this opportunity to thank the Grand Treasurer for his help and support to me and to the Provincial Grand Secretaries and Treasurers for their help and support to us both.

I have also started a new initiative to allow the Provincial Grand Secretaries greater immediate access to information via an on-line OneDrive system, which has proved very successful, and will continue to improve upon this, with input from the Provincial Grand Secretaries on how this can be rolled out to Chapel Secretaries. The information on the one drive will always be current.

I would quickly like to take this opportunity to thank Sir Douglas of Dunston, our Grand Organist and the Provincial Grand Secretary for the Province of Greater London, for his help with the Suite of Forms to be used throughout the Order and, indeed, the help that he has given me in making documentation that is sent from the GMC more interactive for you all.

In addition, I would also like to thank Sir Geoffrey of Esplavis, our Webmaster, who has been working hard to get the Order's website up to date. Again, no doubt the Provincial Grand Secretaries have helped him as well.

During the last twelve month, three new Provinces have been constituted. The Provinces of Northumberland and Durham, The Province of Essex and The Province of South Midlands. In addition, and after this meeting, the Most Worthy Grand Master, Sir Melvyn of Wud Plumpton, will have appointed twelve new Right Worthy Grand Preceptors to Office. Quite a bit of work as there are only twenty Right Worthy Grand Preceptors.

Two new Chapel Banners have also been dedicated, one in Jersey and one in France, plus a Provincial Banner for France.

Also, the Venerable Bede Chapel N^o 138 was Consecrated in the Province of Northumberland and Durham, in May this year and there are still plans being considered for new Chapels in Malta and Oxfordshire. In addition, there are also plans to being worked on to consecrate Chapels in Singapore/Malaysia, Bolivia and India. Already a good number of Knights have been initiated, here in the U.K., with a view to those Knights supporting the consecrations of these Chapels.

As we move forward, the GMC is exploring how Provincial Teams can be better utilised in the consecration of Chapels, Banner Dedications, etc., within their respective Provinces. These plans are in their infancy but if Chapel consecrations are small in number within certain areas or regions, this opportunity may be exercised.

I would also mention the Canterbury Pilgrimage, in September, so ably organised by our Protector of Canterbury, Sir William of Marchwood. After such a long time between pilgrimages, it was nice to see such a large turnout from so many Chapels / Provinces, including America, Australia, Spain and France and, not to be missed, Jersey,

As a general overview, our single Knight membership numbers are 1860 whilst our Memberships (multi-chapels) number is 2782.

With regard to today's meeting, it is so pleasing to have received so many bookings for attendance and dining. We are pretty much full, and its been a while since we have been able to enjoy the company of so many. Long may it continue.

I can confirm that all apologies that have been received have been recorded.

I would also bring to your attention that our Grand Treasurer has been working closely with past and incoming Grand Wardens of Regalia and, in the not too distant future, there will be an on-line shop in place for you to use to make your orders. This will be properly communicated early next year.

Finally, during the last twelve-month period we have seen 95 new registrations and 96 joining membership. Unfortunately, there have been 91 losses (covering Honorary Non-Subscribing, Exclusions, Cessations, Resignations and Deaths). The net result being that the Order is holding its own but not making much by way of gains. It is appreciated that momentum has dropped due to the COVID-19 restrictions we have all experienced, but we now need to maintain our focus on recruitment which, obviously, is still paramount to our Order's growth and success. Access to the Order is invitational and is open to subscribing Knights Templar, in amity with the Great Priory of England. Candidates must also be subscribing members Craft and Royal Arch Masons of units in amity with UGLE and the Supreme Grand Chapter of England. Look out for good men who meet these requirements, when you attend your Preceptories, Lodges and Chapters, and who will bring great service to our wonderful Order.

In conclusion, I have enjoyed the brief time I have been in this Office and being that it has only been a short time, I have attempted to keep my report brief. However, as I get more organised, I cannot promise that next year my report will be as short.

Thank you for your attention.

Sir Derek of Anfield, PRWGP [EAng],
Grand Secretary
The Commemorative Order of St Thomas of Acon

Accounts (Continued)

The Commemorative Order of St. Thomas of Acon
Annual Accounts for the Year ending 31st August 2021

Notes:

The Accounts are prepared on an Accruals accounting basis, all income and Expenditure recorded when incurred rather than Received or Paid.

Based on the re-creation of the Bank transactions from statements for 2020/21, Compiling schedules from the the Annual Returns for 2019/20 & 2020/21, Compiling schedules of Grand Rank Honour Fees for 2019/20 & 2020/21 and checking 2019/20 against Bank Stements for that period.

The opening Balances disclosed on the Accounts for the periods 2019/20 and 2020/21 differ from the Bank Statements. The discrepancy in respect of 2020/21 is shown on the Accounts for the period 2019/20 to balance to the prior year published Accounts. The adjustment for which is shown as a change to the General Account on the Balance Sheet as opposed to a change to current year Income and Expenditure.

The published Accounts for 2019/20 show a balancing error of £20.00 which has been adjusted for by adding it to the Canterbury Appeal Fund Donations received during 2019/20 (a change to the figure reported in the 2019/20 published accounts).

Fixed Assets include a one-off purchase of a Laptop and A3 Inkjet Printer for use of the Grand Secretary.

The Laptop will be written off over 4 years and the Printer over 2 years

17. ANNUAL PILGIMAGE – 2022

The Annual Pilgrimage to Canterbury Cathedral was held on 17th September 2022. It was very well attended with a number of Knights new to the Order attending for the first time together with a good number of experienced Knights and in some cases, wives and partners. The weather was extremely pleasant, a bright, sunny day. The Service in the Cathedral Crypt was lead by Sir William of Marchwood and was attended by the Dean. After the service, Sir Melvyn of Woodplumton, the Grand Master presented a cheque to the Dean in the sum of £4000 which was gratefully received, the Dean assuring the Order that it would be well spent.
