## The Laughter Club's Adventures

In a retirement community in the state of Maine, a laughter club was formed, dedicated to

spreading joy and laughter. One sunny afternoon, they decided to take their laughter to the park. Armed with funny props and jokes, they approached

strangers and engaged them in hilarious conversations. Passersby couldn't help but join in the merriment, as laughter rippled through the park. Their

contagious laughter became a symbol of unity, breaking down barriers and bringing people of all ages together. The laughter club's adventures continued, reminding everyone that

laughter has the power to create harmony and bring smiles to even the grumpiest faces!!

HAPPY VALENTINE'S DAY

My mother is the kindest woman you'll ever meet. Loving, and always the one to give anyone a compliment no matter where we are. She is deeply compassionate and a very classy lady. She has always been thoughtful and encouraging to those around her, offering sincere compliments and support. She is very smart and talented and worked for the Church of Jesus Christ of Latter-Day Saints. One of her many jobs was a professional writing analyst, a roll that reflected her intelligence and attention to detail. She loves her church, enjoys reading, and values time spent with friends and family. Relationships and faith have always been at the center of her life.

Anita shares some advice for Valentines Day!

Happy Birthday!
