According to the Capitol website, the 433 Yoshino cherry trees were originally sent by the Japanese to Utah as a symbol of friendship and reconciliation following World War II. In Japan, blossoming cherry trees, with their rapidly appearing flowers that die within weeks, symbolize the impermanence of life. Those trees and others at the Capitol, however, were damaged or lost when a tornado struck downtown Salt Lake City in 1999. The current Yoshino cherry trees were planted during the 2004–08 Capitol restoration project.

RESIDENTS OF CARRINGTON COURT GIVE THEIR BEST ADVICE TO FOURTH GRADERS!

April 2024

WE LOVE **BINGO** AT CARRINGTON COURT

There is no doubt; the popularity of BINGO is undeniable. We play several times a week and have many varieties of games; butterfly, four corners, layer cake, B.O., and blackout to name a few. If you love to laugh and be around great people, check the calendar inside and join us for a BINGO game!

Happy Birthday!

- Mary L. - 3rd
- Jack O. - 16th
- Valera P. - 10th
- Gwen S. - 23rd
- Marvalyn F. - 29th

We are pen pals with a fourth-grade class at Jordan Ridge Elementary and our residents gave their best advice to these students. Melva is pictured above with her thoughts and for more advice check the back of the newsletter.
