THE CONDENSED STORY OF DONALD

Donald was born in 1936 in Lincoln, Nebraska and he was the oldest of four boys. Growing up in the city and working on his grandparent's farm during the summer months. He attended Cret High School and sang in many choirs and also played percussion instruments in the school band. Donald began college in 1954, but the Navy called and he served active duty from 1956-60 as a radarman/air traffic controller on destroyers in the Pacific Rim and remained in the reserves for two more years.

He met his wife Noralee when he came home from boot camp and went on a blind date. Nine months later history was written at St. Mary's Catholic Cathedral as Donald and Noralee were married.

Donald began working as a Petroleum Inspector in Wilmington, CA in 1960 and after several years Noralee said "every time I kiss you it smells like oil"; needless to say, Donald took heed and began searching for a new career! He was interviewed several times and successfully launched his lifetime career as a Pharmaceutical Sales Representative for four different territories, California, Nevada, New Mexico, and Colorado. The last twenty years of this career, he was a hospital representative for the Denver territory and resided in Lakewood, Colorado. Donald won two national distinguished awards attributed to his hard work and pleasant personality. Donald saw many countries while in the navy and together with Noralee they traveled in their RV extensively in the northern half of the United States, and also visited Canada, Denmark, Sweden, Norway and France.

Donald and Noralee have five children, fifteen grandchildren and five great grandchildren. Donald has many hobbies including reading, gardening, fly fishing, guitar, ukulele, singing and RV traveling with family.

Donald feels like a blessed man and has had a wonderful life full of memories and he is continuing to make more. Carrington Court is so thrilled to have Donald be part of the community!!!
