## Highlighting Kirk Peery

Kirk Peery was born on January 4, 1943, and grew up in Springville, Utah. A builder at heart, Kirk was always tinkering, creating, and exploring how things worked. One of his childhood highlights was building a water wheel in the creek behind his house. That curiosity and hands-on creativity stayed with him throughout his life. He graduated from Springville High School, where he proudly sang in the choir. A devoted member of The Church of Jesus Christ of Latter-day Saints, Kirk served a two-year mission in New Zealand—a time he cherished and often spoke of with fondness and gratitude. He also served in the Army National Guard for seven years and was deployed for one year.

In 1968, Kirk met the love of his life, Karen Bruner, at a Thanksgiving church dance. They married on May 3, 1969 and were married for over 50 years. They built a beautiful life together with three children, ten grandchildren, and five great-grandchildren (with one more on the way). Kirk has always been an entrepreneur at heart. Over the years, he thought of and built many small businesses, each one fueled by his creativity and drive. He also built his own cabin and spent countless hours in his well-loved backyard shop, working on projects and bringing his visions to life. His natural optimism, inventive spirit, and can-do attitude have been defining traits throughout his life. His family loves him deeply and is grateful for his example, positive outlook, and generous heart.

## June 2025

### Happy Father's Day to all the SUPERHERO Dads of Carrington Court!

In 1966, President Lyndon B. Johnson issued the first presidential proclamation honoring fathers, designating the third Sunday in June as Father's Day. Six years later, the day was made a permanent national holiday when President Richard Nixon signed it into law in 1972.

### Happy Birthday!
