The Gardeners of Lima April 2020 Lima, Ohio

From the Editor

There are some things this virus simply can't do;
One of which is to stop me from writing to you.
You're used to getting your newsletters from me;
But now the virus thinks he's got me up a tree.

However, I tell you, he's got another think coming.
Though events in the clubhouse aren't humming;
Meetings cancelled and spring plant sales nixed
And it seems like the whole program is deep-sixed.

But I'll write to you anyway, just to let you know
That your gardening friends still love to grow
Gorgeous flowers and good things to eat
And they're thinking of you 'til again we meet!

One activity that people staying at home may enjoy is
browsing through old photos. Perhaps you have dug up
an old album or two and found pictures that bring back
old memories.

So, on the following pages, are a few photos from the
archives of The Gardeners of Lima. Happy browsing!
