

Westwood Hills HOA Manager's Report  
September 2024

Westwood Hills is currently at 247 homes/lots.

I worked with Schendel, who was very responsive, to install 2 sleeves under the entrance at both Eisenhower and Dole where the City of Lawrence had torn up the street. The sleeves have been installed so when the work is completed the electrical and irrigation systems can be reconnected. This has affected the streetlight at the entrance of Dole and Wakarusa and the pond fountain at Dole Pond #1.

I have been working with the contractors to have the posts painted with the fence that has been installed on the fire lane.

I will be closing up the pool for the season on September 28th and the 29th for the pooch plunge.
