DIRECTIONS TO OWNER/APPLICANT FOR REVISING APPROVED PLANS

Any changes to plans after having been “Approved” MUST BE submitted to the Architectural Committee in the manner outlined above. It will not be necessary to submit a complete set of plans, only a copy of the affected sheets. Again, the Committee will notify you in writing whether proposed changes have been “Approved,” “Approved with Exceptions,” or “Not Approved.”

The project must be completed pursuant to the “Approved” plans. No individual member of the Architectural Committee has the authority to approve changes. Any and all changes must be submitted and approved in writing.
