**At no other time is clear communication more critical than during a crisis.**

Demands are intense, emotions are high, and miscommunication can be dangerous. Having the right message in the right place communicated professionally plays a valuable role in managing urgent situations. That's why we designed Respond™ — the complete interior and exterior signage and accessory system developed for rapid deployment.

# takeform

**You need it now.** An affordable, complete system ready to deploy. Respond is a full interior and exterior signage and accessory system that's ready to go – stat.

- A comprehensive selection of COVID-19 messaging or we can quickly customize to your specific need.
- Respond includes a complete line of durable wayfinding and informational signage for interior and exterior use
- Designed for extended temporary use
- Signage configured for every situation: wall signage, freestanding, banners, floor decals, window films, self-adhesive wall posters, and notice holders
- Respond also offers a selection of accessories that help keep people safe every day.

**Respond lets you choose the material right for you.**

### Moxie graphic panels

Moxie is our industry-leading graphic panel system. It's intended for long-term applications or demanding environments where exceptional durability is required. **Standard for Respond exterior signage.**

Cleanable | Durable | Chemical resistant

**Mounting Options:** tape & silicone, cleat, z-clip, structural adhesive, screw

### Light-weight extruded graphic panel

For extended-temporary use, select this light weight durable display board.

Cleanable | Scratch resistant  
Chemical resistant | UV Resistant

**Mounting Options:** tape, screw

### Amplify wall posters and floor decals

Amplify offers easy to install, self-adhesive interior wall poster and floor decal materials that let you display your message on any interior wall or floor.

Repositionable | Removable

**Mounting:** peel and stick self adhesive

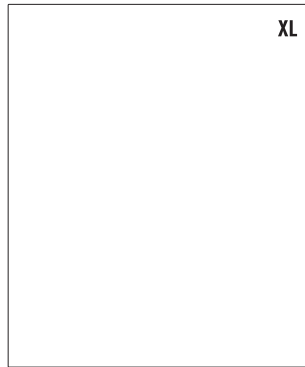

### Amplify window cling

Applies directly to glass doors and windows and is intended for indoor and outdoor use.

Cleanable | Scratch resistant  
Chemical resistant | UV Resistant

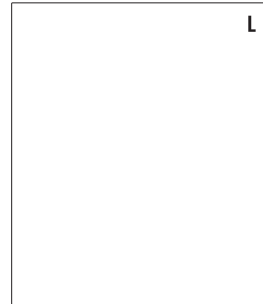

**Mounting:** peel and stick, static cling to glass

Infection Control sample messages

**COVID-19 SYMPTOMS**

Mild to severe respiratory illness symptoms\* can include:  
\*Symptoms may appear 2-14 days after exposure.

Fever      Cough      Shortness of Breath

Seek medical advice if you develop symptoms, and have been in close contact with a person known to have COVID-19 or if you live in or have recently been in an area with ongoing spread of COVID-19.

Message #1

**COVER YOUR COUGH**

Cover your cough or sneeze with a tissue.  
Do not cough into your hands.

**OR**

Wash hands with soap and water for at least 20 seconds.  
Use sanitizer.

Message #2

**WASH YOUR HANDS**  
for a minimum of 20 seconds

Wet Hands      Apply Soap      Rub Palms Together

Scrub Between Fingers      Scrub Thumbs      Scrub Nails & Fingertips

Rinse      Dry with paper towel      Use paper towel to shut off water

Message #3

**PROTECT YOURSELF**  
from respiratory diseases like COVID-19

Avoid contact with people who are sick.  
Cover your cough or sneeze with a tissue, then throw the tissue in the trash.  
Avoid touching your eyes, nose, and mouth.

Clean and disinfect frequently touched objects and surfaces.  
Stay home if you are sick, except to get medical care.  
Wash your hands often with soap and water for at least 20 seconds.

Message #4

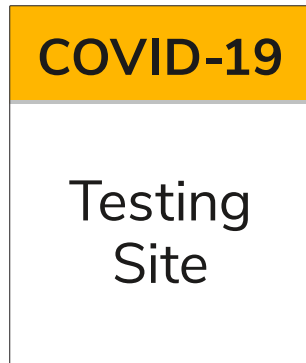

**SLOW THE SPREAD**

Stay a safe distance away

## Notice Holders

Protect and declutter with one ingeniously simple product. Pathogens like paper. And unfortunately, as facilities adapt to changing demands, paper signs may become all too common communication tools in healthcare settings. Our Notice Holders offer a simple, yet effective means of containing temporary paper signs and protect them and the people in your space from contamination.

**Let us help you take cleanability a step further.**  
We can print your inserts to our cleanable substrate.

Easy-to-use magnetic closure

Cleanable inserts for additional infection control

## Assure Protective Shields

### Reliable personal interaction protection couldn't be simpler.

Business must continue. Customers and clients need the service your people provide. But the health risks will remain for the foreseeable future. Personal interactions must be made safer for everyone involved.

Assure protects your staff and the people they serve with its simple, reliable construction. It assembles in seconds and positions on any work surface – teller counters, desks, tables. No hardware is needed, so it's portable and repositionable – plus, it protects your furniture – no drilling or fasteners required.

Feet simply slide into position on shield.

No fasteners or hardware required

Position Assure on any work surface.

### Provide nearly effortless protection.

- Easy to assemble in seconds. Just slide the two feet into position on the shield. Done.
- No tools or hardware required.
- Position on any work surface.
- Convenient pass-through allows safer transfer of documents and small items.
- Standard size: 23"w x 36"h x 9"d
- Custom sizes are available upon request.
- Repositionable and portable – quickly adjust to the situation.
- Constructed from .25" 100% acrylic
- Easy to clean and disinfect.
- Disassembles in seconds and packs flat for space-saving storage.

## Sanitizer Stations

### Dispensing a healthier environment

Hand sanitizer is a fundamental part of any infection control program. It needs to be at critical points throughout your facility. They become prominent beacons of health. Our quick-ship configurations accommodate hand sanitizer and tissues or gloves (other configurations available at [takeform.net/products/additions/sanitizer-stations](http://takeform.net/products/additions/sanitizer-stations)). These easy-to-install units are built from the highest quality stainless steel and finished with your choice of five popular laminates, making our units as durable as they are beautiful.

### Two quickship configurations

**HC2S20**  
(10.0" w x 20.0" h)  
Sanitizer dispenser

**HC2TS27**
