FREE in Christ—Understanding Spiritual Warfare

Learning Objectives:

1. Recognize the Reality of Spiritual Warfare

- Teaching using Scripture that spiritual warfare is real and must be fought according to the Bible.
- Learning by using the Bible, spiritual literature, and personal testimonies, how the enemy operates. Knowing the modus operandi of the enemy is critical for spiritual victory.

2. Develop a Biblical Understanding of the Enemy

- Mentor disciples to understand the nature of the devil and demons through Scripture.
- Gaining a deeper understanding of power and authority. Recall that Jesus empowered His disciples with authority over the devil and his demons (Matthew 10:1), a power available today to all His followers.

3. Expose the Enemy's Strategies and Equip Disciples for Spiritual Battle

- Equipping disciples in the field of spiritual warfare. 1. *Teach how to resist the devil* (1 Peter 5:9). 2. *Educate about the enemy's schemes to prevent being ignorant* (2 Corinthians 2:11). 3. Warn believers against giving the devil an opportunity to work in their lives (Ephesians 4:27).

4. Guidance Towards Victory

- Mentor disciples toward victory and provide practical tools for this process.
- Guide believers on how to stand firm in faith and coach them on how to experience spiritual freedom and victory through Christ.
