Dear Partners in Ministry,

I want to pause and thank you for your prayers and financial support during 2019. We could not have done it without your partnership. May God bless you abundantly!

Brief updates on URFM's significant 2019 projects:

1. *The Great Commission: Why Discipleship cannot be Ignored*: I am done the manuscript. There are still a lot of things to be done (i.e.: final editing, cover design, line editing, interior design, etc.) God willing, we hope to publish it the first quarter of 2020.
1. *The Journey of Spiritual Transformation*: Please continue praying for me as I prepare to write this new book after I complete *The Great Commission*.
2. *Spiritual Life Coaching, Personalized Counseling Sessions and Advanced Discipleship Training*: We offer these services on a continuous basis.
3. *Web Project*: We implemented some changes to the website. Please visit it often; we post new content regularly. I hope you enjoy reading the blog.
4. *Emotionally Healthy Spirituality Translation Project*: Praise the Lord! We have completed the translation of this book into the Romanian language. The book is now available in the USA and Canada as well as Romania and Europe.

6. *Platforms for Transformation*: I was not able to do too much this year but this project is on my heart to continue building these platforms.

Elena and I feel very privileged to partner together in extending the Kingdom of God and fulfilling the Great Commission. Thank you in advance for your prayers and financial support in the future.

Have a Happy and Prosperous New Year!
