Commander Fred Marable and Deputy Commander Michelle London-Marable, founders of the Buffalo Soldiers of the Arizona Territory – Ladies and Gentlemen of the Regiment, Mesa, Arizona are reaching out to businesses, veterans organizations, entrepreneurs, esteemed sports figures, non-profit organizations, community leaders and individuals to help erect the First African American Buffalo Soldiers AZ Territory Monument, 9th and 10th Cavalry and 24th and 25th Infantry that will be placed at Wesley Bolin Memorial Plaza in Phoenix, Arizona. The Wesley Bolin Memorial Plaza, one of Phoenix Points of Pride, is an urban park and gathering place in front of Arizona State Capitol complex in downtown Phoenix, Arizona.

The Buffalo Soldiers were African American Soldiers who served on the Western Frontier following the American Civil War. Throughout the era of the Indian Wars, Buffalo Soldiers were posted from Montana, Kansas in the Northwest to Texas, New Mexico and **Arizona** in the Southwest making up 20 percent of the United States Cavalry troopers.

We would be honored to have you to share in the creation this historical moment that will represent a little known, but major accomplishment of the African American history.

The Bronze Design of the Buffalo Soldiers has been approved and created, the molds are at the foundry, the location has been chosen, and the monument itself has been designed. All the pieces are in place to move forward. Only with your generous donation, this will become a reality that will proudly reflect an important part of American history for generations to come.
