

22nd September 2020

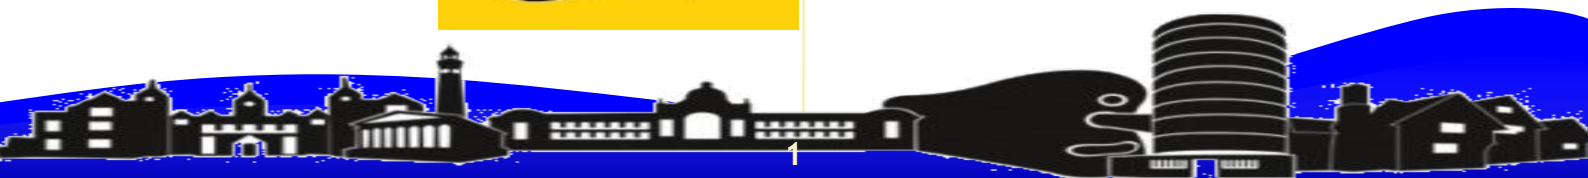

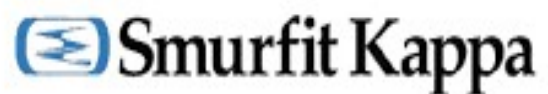

To mark World Clean Up day 2020 some of our staff and residents targeted some hotspots of rubbish dumping and litter on the Bloomsbury estate. We love where we live and we want to continue to make it a better place

Some of our socially distant volunteers, helping to clean up your estate. Can you help us next time????

Thanks to our friends at Smurfit Kappa who provided the safety equipment for the day

Alleyway next to Camrose Tower was a target area for our litter busters

Please help us keep Bloomsbury Tidy. Report any concerns to our Neighbourhood team at www.bloomsburyemb.com or call us 0121 464 1550
