Major Works Improvements

Making YOUR Estate better

Over the past few months, in partnership with Birmingham City Council, new roofs have been installed to Newbold Croft, Bodmin Grove, Fowler Street and Rocky lane following 4 years of negotiations with the Major planned works team.

This was deemed as essential work by the EMB and needed to be carried out in order to improve the living conditions for our residents on the Bloomsbury Estate.

This will now enable the EMB to look at other improvements on the Estate that will be beneficial to our tenants going forward.
