

# RECYCLING BIN REMOVAL

**Bloomsbury Estate Management Board  
(in consultation with Birmingham City Council) have made the  
decision to remove all the recycling bins from Medway, Severn,  
Thames and Victor Tower.**

**Due to the ongoing issues with residents not using the recycling  
bins correctly, we have had to make the decision to take the  
bins away.**

**The recycling bins will therefore be removed from week  
commencing 31<sup>ST</sup> May 2021**

**Please make sure that you dispose of your household rubbish  
by using the appropriate bin bags (black bags or correct bin  
bags) into the bins situated at the rear of your block. The EMB  
will look to review the recycling issues in the future.**

**Thank you for your co-operation in this matter.**
