Section IV Camp KUDOS Consent, Release and Waiver of Liability

**"Participant" refers to campers, volunteers, staff, counselors, nurses, etc. "Camp" refers to Camp KUDOS.

I am the camp Participant or the parent/guardian of the minor child participating in Camp KUDOS and am fully competent to sign this agreement. I understand that I have approved the Participant's request to participate in the 2023 session of Camp KUDOS.

I understand that the Camp involves various physical activities, including but not limited to (a) swimming; (b) transportation via bus, van, or motorized vehicles; and (c) walking/running/playing and that there is risk of injury or even death associated with such activities. I understand the nature of the camp and my or my child's participation in it; I have explained these things to the Participant and his/her participation in it is both willing and voluntary. The Participant is in good health and is physically and mentally capable of participating in all of the activities that will take place at the Camp, including but not limited to those set forth above. In addition, the Participant has adequate health insurance necessary to provide for and pay any medical costs that may arise as a result of injury to the Participant.

In consideration of being permitted to participate in the Camp, the Participant and I assume all risks of such participation. Such risks include but are not limited to swimming, transportation, and walking/running/playing. I further agree that any and all persons associated with Camp KUDOS (including but not limited to any owner, employees, volunteers, nurses, and physicians) shall not be liable for any claims, demands, actions, or causes of action arising out of or in any way connected with the Participant's participation in the Camp, specifically including but not limited to, liabilities, claims, demands, actions, or causes of action relating to bodily injury and illness (including death), property damage or expense suffered by the Participant or me. Therefore, on my behalf, the Participant's behalf and the heirs and assignees of both of us, I do hereby forever release and discharge the Camp, as well as its owner, employees, volunteers, nurses, or physicians from all such liabilities, claims, demands, actions or causes of action.

With the Camp and its activities fully explained to me and all of my questions answered to my complete satisfaction, I consent to the Participant's participation in the Camp and accept the facilities, premises, supervision, and equipment used in connection therewith. I execute this Consent, Release, and Waiver of Liability for full, adequate and complete consideration, fully intending for the agreement to be binding on me, the Participant and the Participant's family, estate, heirs, administrators, personal representatives and assignees.

In addition, I do hereby grant the staff of Camp KUDOS the right to authorize emergency medical treatment for the Participant named below in the event that I or my designated representative cannot be reached. I understand the North Carolina Good Samaritan Law will apply. I understand that Camp KUDOS personnel will call 911 in a life-threatening situation and then contact the Participant's parents/guardians. In a non-emergency situation, I understand that Camp KUDOS will call the parents/guardians first, then emergency medical technicians and the Participant's physicians and will transport the Participant to an appropriate hospital emergency department. I agree to be responsible for the cost of such emergency medical care. I further grant permission for any medical examination, adjustments in diabetes regimen, treatment of illness or injury and emergency treatment of illness or injury as is deemed necessary by the Camp Medical Director. Further, I release Camp KUDOS, its owner and all employees, volunteers, nurses, and physicians from liability for any cause whatsoever and for any injuries or damages incurred during or after the Participant's participation in Camp KUDOS or its activities.

I also give permission for KUDOS to photograph, videotape, or televise my child for medical, educational, public relations, or fundraising purposes.
