

Two Man Rapid Intervention Drill

Rules: Firefighters A & B will wear full P.P.E. to include bunker pants and coats with liners, Firefighting boots, gloves, nomex hood, and helmet. “FULL P.P.E.” Dummy Shall weigh 125 LBS.

Fighters A & B will also wear full SCBA and will be on air during this event.

Running of the contest: When the signal is given, Fighter A & B will run 50 feet to downed firefighter. They will both drag (**NOT CARRY**) downed firefighter back **completely across the starting line**.

Firefighters A & B will then pick up nozzle attached to 150 feet of 2-1/2 inch hose and run 140 feet extending hose across the finish line.

Time will stop when nozzle and both firefighters cross finish line!!!!

Special Note: BOTH FIREFIGHTERS MUST DRAG DOWNED FIREFIGHTER AND PULL HOSE AT THE NOZZLE OR TEAM WILL BE DISQUALIFIED!!!!
