Preliminary Assessment

What we will need from you

When we provide you with credit assistance, we must only recommend credit products that are not unsuitable for you.

To be able to determine which loan products are not unsuitable, we are required to complete a Preliminary Assessment. When we make this preliminary assessment, we determine:

- Your requirements and objectives – that is, what kind of loan do you want, and for what purpose;
- Your financial and relevant personal situation; and
- Your ability to repay the loan that you are considering.

In assessing these factors, we are also required to take reasonable steps to verify some of the information you provide us. This verification may include:

- Asking you for copies of documents that demonstrate your financial situation – in some cases we may also need to sight original documents; and
- Contacting third parties to assist in verifying the information that you provide.

Obtaining a copy of your Preliminary Assessment

If we haven't already provided it to you, you may request a copy of our Preliminary Assessment, and we must give you a copy of it:

- At any time during the first 2 of years of completion of the assessment, within 7 business days; or
- Between 2 years and 7 years after it was conducted we must provide it within 21 business days.

There is no charge for requesting or receiving a copy of the Preliminary Assessment.

How do our Representatives get paid?

We are paid commissions by lenders for introducing customers. The lenders we deal with will usually pay us a commission based on:

- The size of loan; and
- The particular loan product you have selected.

We will only be paid this commission if your loan is settled and drawn down.

We may also be paid an ongoing commission by your lender based on the outstanding balance of your loan.

The commissions that we are paid by your lender are not payable by you – they are paid to us either directly by the lender, or paid to us by our Aggregator.

If you would like a detailed estimate of how much commission we would be paid by a particular lender for a particular product, we will provide this for you. We will also provide you with a detailed explanation of how this commission is calculated.

Certain lenders may also pay us a bonus based on the amount of business that we introduce to them.

Our Aggregator Custom Equity Group Pty Ltd

As Licensee, Custom Equity Group Pty Ltd may retain a portion of the commission paid by the lender you choose. This payment is paid to the licensee in exchange for the right to operate under the Licensee's licence, and for providing other assistance with business.

If you would like an estimate of what _____ will be paid, and how it is calculated, please don't hesitate to ask and we will provide you with that information.

Fees and charges that are payable by you in relation to our credit assistance

We sometimes charge a fee for our services. More details about the fees payable by you will be set out in a Statement of Credit Advice which we will give you before a finance application is lodged. You may obtain from us information about how these fees and charges are worked out and a reasonable estimate of those fees.
