## Out-of-Pocket Expenses / Invoice Procedures

Naomi Jeanette Robinson Trucking LLC will be invoiced monthly for the moving services and rider expenses. Standard Contractor invoicing is assumed to be acceptable. Invoices are due upon receipt.

Naomi Jeanette Robinson Trucking LLC will be invoiced all costs associated with out-of-pocket expenses (including, without limitation, costs and expenses associated with meals, lodging, local transportation and any other applicable business expenses) listed on the invoice as a separate line item. Reimbursement for out-of-pocket expenses in connection with performance of this SOW, when authorized and up to the limits set forth in this SOW, shall be in accordance with Contractor’s then-current published policies governing travel and associated business expenses, which information shall be provided by Tariq Robinson. The limit of reimbursable expenses pursuant to this SOW concerning rider expense is estimated to be 25% of the fees unless otherwise authorized in writing and agreed to by both parties via the project change control procedure outlined within.

Invoices shall be submitted monthly in arrears, referencing this Contractor’s SOW Number to the address indicated above. ## Completion Criteria

Naomi Jeanette Robinson Trucking LLC shall have fulfilled its obligations when any one of the following first occurs:

- Contractor accomplishes the Contractor activities described within this SOW, including delivery to Client of the materials listed in the Section entitled “Deliverable Materials,” and Client accepts such activities and materials without unreasonable objections. No response from Client within 2-business days of deliverables being delivered by Contractor is deemed acceptance.
- Contractor and/or Client has the right to cancel services or deliverable not yet provided with 5 business days advance written notice to the other party.

## Project Change Control Procedure

---

The following process will be followed if a change to this SOW is required:

- A Project Change Request (PCR) will be the vehicle for communicating change. The PCR must describe the change, the rationale for the change, and the effect the change will have on the project.
- The designated Project Manager of the requesting party (Contractor or Client) will review the proposed change and determine whether to submit the request to the other party.
- Both Project Managers will review the proposed change and approve it for further investigation or reject it. Contractor and Client will mutually agree upon any charges for such investigation, if any. If the investigation is authorized, the Client Project Managers will sign the PCR, which will constitute approval for the investigation charges. Contractor will invoice Client for any such charges. The investigation will determine the effect that the implementation of the PCR will have on SOW price, schedule and other terms and conditions of the Agreement.
- Upon completion of the investigation, both parties will review the impact of the proposed change and, if mutually agreed, a Change Authorization will be executed.
- A written Change Authorization and/or PCR must be signed by both parties to authorize implementation of the investigated changes.

**IN WITNESS WHEREOF**, the parties hereto have caused this SOW to be effective as of the day, month and year first written above.
