• **Annual Commercial Wrecker Emergency Tow Permit**

Effective July 1, 2013, due to the passage of HB218, Georgia will offer a new emergency tow permit replacing the old permit. Upon renewal, the new permit will be issued. Permits will be issued for 135,000 lbs on 7 axles. Please see the legislation below for the new requirements.

- o Official Code of Georgia Annotated – Chapter 32-6-28
- o Duration and limits of permits.
- o Annual Commercial wrecker emergency tow permit. Pursuant to this code section, the commission may issue an annual permit for vehicles towing disabled, damaged, abandoned or wrecked commercial vehicles, including combination vehicles, even though such wrecker or its load exceed the maximum limits specified in this article. An annual commercial wrecker emergency tow permit shall not authorize the operation of a vehicle:
 1. Whose single axle weight exceeds 25,000 pounds
 2. Whose load on one tandem axle exceeds 50,000 pounds and whose load on any secondary tandem axle exceeds 38,000 pounds; or
 3. Whose total load exceeds 125 feet

Fees

Charges for the issuance of annual commercial wrecker emergency tow permits shall be \$500.00 per permit.

Rules of the State Department of Transportation - Chapter 672-2-.01 Definitions.

(d) Emergency Towing: When a tractor/trailer combination becomes disabled, an authorized permitted wrecker may transport the disabled tractor/trailer to a repair facility or safe location to dismantle the tractor/trailer. If the closes location is a weigh station or rest area, transporters are authorized to leave dismantle the tractor/trailer, at that location, however, they must be moved within a twenty-four (24) hour period or be moved at the owners expense. No state agency shall be responsible for any damages to tractor-trailer left on State property.
