FMG CARGO TROUSERS

Painter's trousers, work trousers or utility trousers? No matter what you choose to call the trousers that you work in, we most definitely have a model that suits your specific needs.

A SELECTION OF WORKWEAR FOR BOTH PAINTERS AND TRADIES

FMG Workwear collection consists of our most innovative and advanced tradies and painter trousers. With unique designs and top of the line materials, these trousers take workwear to a higher level.

FMG Cargo Trousers typically have a sportier, somewhat more fitted design. These trousers combine high function with a more modern fit. These trousers often feature extra reinforcements, smart pockets and comfortable stretch materials. They are a good choice for painters and tradies who want extra features and prefer a more contemporary style.

FEATURES

- Removable 7mm foam knee pads
- Tapered Fit – Not too tight, not too loose.
- Generally mid-rise with a zip fly.
- Straight through the hip, slim through the thigh with a narrower leg opening.
- 265gsm, 97% cotton, 3% spandex, making it comfortable to wear in both winter and summer.
- With an elastic waist and a drawstring for an easy fit
- Belt loops
- A large phone pocket as well as tool pocket
- Front pockets with extra cargo pockets

BLACK TROUSERS EXTRA FEATURES

- Front pockets with pouch pockets for tool belt storage
- Zip pocket for secure storage of items.
