Our Finishes

Caesarstone offers a variety of finishes, dressing the surface in a way that brings out the best in the design while ensuring it remains long-lasting without the need for sealants or wax.

Polished

Polished finish emphasizes the surface features with its stunning luster.

Honed

Honed finish offers a special organic luminosity.

Natural

Natural finish conjures up the emotional caress of stone, warm, grainy, and uniquely sensorial.

Concrete

Concrete finish is inspired by the granular tactility of smooth concrete with a soft earthiness quality and low light reflection.

Rough

Rough concrete offers the coarse experience of industrial materials for distinctively gravelly surfaces yet still smooth enough for practical cleaning.
