Describe the partnerships/collaborations surrounding project development and implementation (150 words or less)	RTTB partners with Corporations and Foundations to leverage funds and deliver home repairs and rehab service to a larger number of low-income homeowners in Hillsborough County. it is only through the combination of resources of local Government, foundations and the private sector that we are able to deliver our mission and keep our commitment to help homeowners in need.

Describe the primary project service area or client base and how it meets the needs of low-income families and neighborhoods (150 words or less)

the primary project service area is Hillsborough County and the City of Tampa. The target demographic is low-income homeowners meeting the 80-120% of the Area Median income (AMI) in need of home repairs and modifications in order to live healthier, safer and independently in their homes. We deliver a holistic approach of community revitalization efforts by not only repairing homes but also educating homeowners on the importance of home maintenance and upkeep for the future.

Describe plans and activities that are in place to continue the project and can other agencies replicate in different locations. (150 words or less)

We are able to continue delivering our services by securing funding year-round from a variety of sources, including corporations, and foundations. The diverse funding portfolio and the relationships with our subcontractors in the business field allow us to continue operating, assisting clients and replicating this winning formula as we keep growing.
