

There is a sketch of the hut and the surrounding area.

Denise is in a daze. She sits with DETECTIVE MUNROE.

DENISE

We should be out there looking for her.

DETECTIVE MUNROE

Ma'am, this is a very small community, we will find her.

Denise paces the room. Seconds later, ERIC, her ex, swiftly walks in and goes straight at Denise.

ERIC

What did you do to her?

The police holds him back.

DENISE

Me?... Just like you to blame me for YOUR doings! We had a peaceful life until you served me and blasted our location to all of your conies! For all we know, you had someone take her!! She better be okay Eric, I swear!

DETECTIVE MUNROE

Ok you two, Eric come with me, I have some questions.

DENISE

Yeah, like where is MY DAUGHTER!!!!?

Detective Munroe wraps Denise in a blanket.

DETECTIVE MUNROE

I'm going to take you home, you need to get some rest, it's already 4am, before you know it, your daughter will be back in your arms again, you want to be well rested for her.

Denise calms down a bit before breaking down into tears.

DETECTIVE MUNROE (CONT'D)

It's okay ma'am, we're going to find her.
