

April 2025 Newsletter

We would like to take this opportunity to wish you and your families a wonderful Easter Break.
Term starts again on Tuesday 22nd April 2025.

Welcome to our new children who recently started in Teddies Eve, Harry and Oscar - we hope you settle in quickly and enjoy pre-school life. We also have Poppy, Bethany and Ava who are moving up to Rainbows class, we hope their transition to the bigger class is smooth and they settle in quickly.

Sponsored Tub Fill

Thank you to everyone who joined in with our Sponsored Tub Fill. We raised an amazing £465.40. James in Rainbows and Hudson in Teddies were our winners.

Sunhats & Suncream

As we hope the weather will start to improve, there is a need for us to protect the children from the sun.

We request that suncream be applied to **ALL** children prior to them arriving at school.

Children attending all day will have lotion applied ready for the afternoon session as per your signed permission on the Child Profile.

The updated Sun Policy will be on display in the foyer as this gives parents/carers a guideline as to what clothing is suitable for children to wear during the sunnier weather.

Sunhats – we have legionnaire hats which protect the children's necks.

Please do not bring in the child's own sunhat.

Wednesday April 16th is the day that you should hear about what Primary School has been allocated to your child. We hope you all are offered your first choice. Please inform your keyperson of the school your child has been offered so we can start to support your child with their transition
