AGM

Thursday 6th November 2025 - 8pm

We warmly invite you to attend our Annual General Meeting

Why Your Attendance Matters

This year, we've had a number of important **changes and developments**—from structural and governance updates (such as becoming a CIO) to improvements in how we operate and communicate. We'll be sharing:

- A summary of the year's achievements and challenges
- Key changes to our legal and governance structure
- Financial overview and funding outlook
- Opportunities to get involved as a trustee or volunteer

Your presence shows your support for the preschool, and your voice is vital in helping us continue to grow and thrive as a community.

FUNDRAISING COMMITTEE

Lydia Knowles and Mandy Tempest will be Chairing our Fundraising Committee this year. We are as always very eager for as many parents to become involved with the Pre-school, this helps you as parents to feel part of our community and our Pre-school family. If you could please join it would mean 'Many hands make light work'.

TAPESTRY

We would like to remind you to please log on to Tapestry regularly.

Each weekend, your child's key person uploads photos, videos, and observations summarising the week. These updates provide an insight into the activities and learning experiences your child has enjoyed in preschool. They can also be a great way to prompt conversations with your child — especially if they're not always forthcoming about what they've been doing during the day!

If you have any photos from your weekend that you'd like to share with us, we would love to see them. Sharing these at preschool really helps support your child's communication and builds strong links between home and setting.
