Interests, skills + other relevant information:

I understand that the club's purposes are:

- To promote participation in mountain-based sporting and recreational activities
- To promote members' greater knowledge and love of the outdoor environment
- To maintain and improve High House at Seathwaite in Borrowdale

I recognise that climbing and mountaineering are activities with a danger of personal injury or death and that participants in these activities should be aware of and accept these risks and be responsible for their own actions and involvement.

I understand that if my application is accepted my first year of membership will be a probationary period. At the end of that year the Committee will review my membership before accepting me as a full member of the club.

I agree to abide by the club's Constitution and Rules
