

ANNUAL SURVEY REPORT (2023-2024)

For Students and Parents

IQAC, Slopeland College of Teachers Education, Khongjom

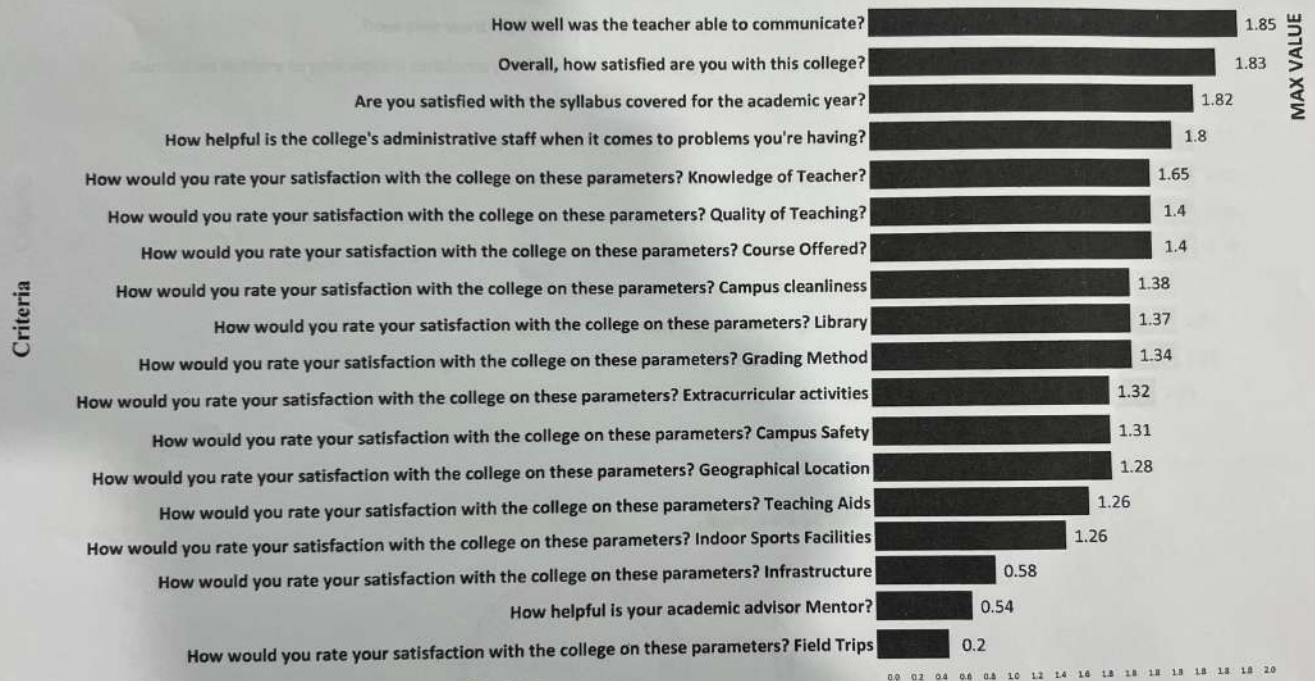

This survey report is generated based on the feedback provided by students, and parents for the academic year. A total of 65 students & 32 parents have responded to this survey. Some of the general comments and feedback received from each category are provided in the latter section of this report.

The maximum score for each criteria in the students, parents, teachers, and alumni category is set at 2, 4, 2, and 5 respectively. The average score obtained is specified by the bar values in each category. Each bar graph is provided with a maximum score value range (specified with a vertical line) for each criteria and an arbitrary target point which is being assumed and accepted to be achieved.

This survey report is an important metric, and it is to be reviewed by the Academic Committee team and IQAC for further strengthening and bringing quality education to the college.
