However, at the end of each session, 10 minutes before the end of class, we welcome our amazing parents into the space for a mini recital.

- Hair must be secured out of the face
- Get into the practice of bringing a dance bag (Please write your name on your bag)
 - Dance Shoes
 - Water Bottle
 - Towel
 - Extra Hair Ties & Hair Pins /Clips
- Parents of dancers that may need help using the restroom must stay for the duration of the class. Powell Dance & Performance Arts instructors are not permitted to help any child in the restroom.
- For our mini mover parent participation class (Ages 2-4), we require full attentive participation from our parents.
- Please be on-time for pick up, space is limited and dancers/parents will be arriving for the next class.

Here are a few notes to help with your first day of class!

A note to our parents and guardians.

For many of our dancers this is their first class and/or disciplined activity. To help them ease into the class, they may choose to watch, and that is ok, they are learning how the class works, how to follow directions, and how to interact with their peers and instructors. We want our dancers to feel comfortable in class and have the confidence to be themselves.

Please familiarize yourself with our website www.PowellPerformingArts.com . There you will find our member login with helpful dance tools for your dancer. You will also be able to view our class schedule and any upcoming events.

We are on social media! You can find us on Instagram and Facebook. Please follow us for studio updates!

Lastly, Thank you for choosing Powell Dance & Performance Arts. We are excited to work with your dancers and support them as they learn, grow, and develop along their dance journey.
