DEAR FRIEND OF OUR THEATRE

Dream Street Studio is a community theatre organization and Performing Arts School that educates children and adults in over 100 lessons per month, year round. We produce and perform: Annual Summer Musicals, Annual Winter Musicals, 4 Studio Showcase concerts, multiple in-house gigs, and we are booked to perform at dozens of special events out in our community each year. We also have a version of our studio that opened at House of Grace church in Uganda that we are thrilled to help run from across the world! We are currently partnered with Bethel UCC—a place where all are welcome.

It costs thousands of dollars per season to run a community theatre program like ours. We also need more equipment for our Uganda Family! As a non-profit organization which gives back to the community (and world!) through scholarship opportunities for youth, teen, and adult music/theatre, Dream Street Studio relies solely on the support of businesses and friends like you, to help fund the tremendous cost of production and operating expense each year.

You can partner with Dream Street Studio to continue providing arts in both our community and our studio family in Uganda. Attached is information regarding business sponsorships. Thank you for your consideration in supporting our studio.

It takes a village, and we would be honored to have you in ours. A Dream Street Studio Sponsorship is more than logo placement and advertisement, it's an investment that makes an impact on the arts right here in our hometown and in our case, across the world, too!

We thank you in advance for your financial gift, and we hope to see you in our 2024 audience this year!

Sincerest Thanks,

Abby Thomas (Director and Producer)
