

BC Hospitality Employees Association - Local 7551 is a real, legal union gaining support across four hotels as employees grow dissatisfied with Local 40.

Local 40 knows this, which is why they are desperately trying to interfere with your legal right to choose by using aggressive scare tactics and misinformation. It is not right and is unfair to you. Visit our website to see the facts related to Local 40's claims and decide for yourself.

Now is the time for CHANGE! Go to the BCHEA website for more information and to sign a membership card to experience what good representation looks like.
