What is holding you back?

-Those mental thoughts that's keeping you from writing, release those thoughts onto paper to begin removing those obstacles.

Get rid of it!

-It's time to take action! Turn those negative self talks into positive affirmations and encouraging words. Keep God at the forefront of releasing the negativity.

Vision Board- To Inspire and Motivate

- You can create a digital vision board or use a poster board as a motivation strategy.

Birthing Your “Best Seller”

- Agenda

It's time to transition from the author in your thoughts to a manifested reality!

- Issues?

Why are you not writing your book?
You started the book you are now at a screeching halt!

- What is the Birthing Process?

Birthing Process

- **What is the Birthing process?**

-God uses authors to spread His message of Hope & Healing.

- Assess your writing message to help you identify who your reading audience will be for your book.

*Birth*ing the Blessing

-Reflect on these questions as you write.

- What is the vision you believe God has given you for your book?
- How is this book (The Blessing) going to impact your life and the life of your readers?
- Penning Your Voice – Insert your authentic self onto your book! Don't be afraid to share your personal testimony.
- How to Empower through your writing?
 - Your story is someone's breakthrough!

*Birth*ing Your Confidence

Getting over the barriers, jumping over hurdles, stagnate mindsets:

Procrastination

Fear

Feeling Overwhelmed

Your Perception of You

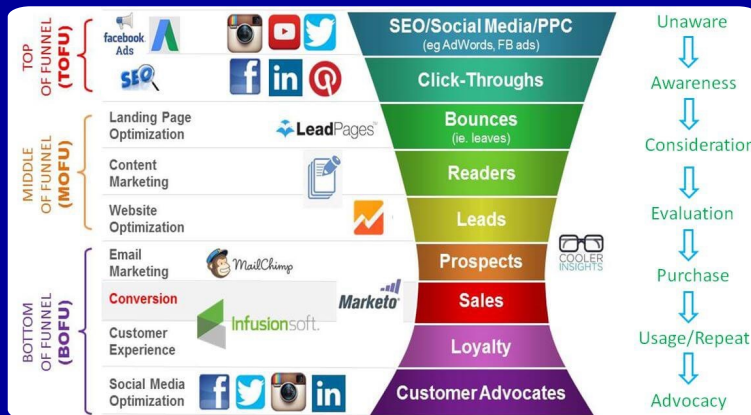

Birthing Your Success

Some tools to help you and what you will need for the success of your book.

- Your manuscript – typed, double-spaced, at least a 12-point font.
- Finding an editor to ensure your manuscript flows and formatted for an effective message in your book.
- Developing your front and back cover design
- Working with your Author Coach as your accountability partner to get to the Author's finish line!
