

Welcome to Festival Creators' rules and guidelines.

First, to become a vendor at Festival Creators, we require all vendors to advertise their location, date, and time on social media. Vendor fees are due at the time you book your space; spaces are limited. No refunds. Contact info@festivalcreators.com if you cannot make the event.

You must arrive (1.5 hours early) or as requested to set up your space. Events are 'Rain or Shine.' Spaces are assigned; do not set up without checking in. Spaces will not be reserved or held. You must arrive during the assigned set-up time. Vendors who arrive after the event starts will not be allowed to set up and will forfeit their event.

Vendors need to unload their vehicles and move them immediately so others can get unloaded. Do not leave your vehicle unattended. Vendors must be present for the entire event; do not pack up or leave early. Packing up before the event ends/early without approval will result in removal from future events. Spaces need to be kept clean at all times, and trash picked up.

Respect our venues and spaces; please do not move, remove, or alter property or items at the venue. Leave it better than you found it.

Vendors are responsible for their own tents, tables, and all necessary items. All tents must be weighed down on each corner. Overnight, please make sure your tent is secured if you leave belongings. We will have night security. Festival Creators are not responsible for any missing items.

****Food vendors must be approved by Festival Creators and have their food license and self-inspection checklist signed and sent in before making a payment. Absolutely no food may be sold or given away without Festival Creators' approval.**

Video and photography will be taken during the festival for marketing purposes and exposure. Failure to follow these guidelines will result in removal from future events and forfeiture of vendor fees for any upcoming events. Space fees may change for every event. Vendor's use of the space is non-transferable. Vendors may not allow anyone else to use the space without the express permission of Festival Creators.

All electrical equipment brought on-site must follow Festival Creators' electrical guidelines. All gas-powered generators must be quiet. All cords and multi-plugs must be provided by the vendor. If power is needed and cannot exceed more than one 20-amp circuit, additional charges will apply. Vendors are responsible for electrical cords. Depending on the location, electrical may not always be available. Please ask at the time of reservation.
