Have you ever noticed the homes for sale with a Realtor® sign in front usually sell quicker than the ones "For Sale by Owner"? It's a fact! Most homeowners have no selling experience, but they do have a job, which means if they had the know-how to do prospecting, advertising, qualifying, and all the other skills needed to close a sale -- they still wouldn't have the time necessary to get it all done. Let one of the professional Realtors in this magazine help you sell your home or find the home of your dreams. They have the training, the time, and they will make life MUCH easier for you!
