Dear Potential Donor,

The 16th annual *TakeOff: Honor the Past, Shape the Future Race* to benefit the *Trooper Kenton Iwaniec Memorial Foundation* is scheduled for Saturday, April 12, 2025 at Saint Vincent College in Latrobe, PA. We are kindly asking you to assist with our endeavor by becoming an event sponsor.

According to the National Highway Traffic Safety Administration, an impaired driver kills someone every 39 minutes. Just moments after completing his shift at the Avondale Barracks, Pennsylvania State Trooper Kenton Iwaniec, a Westmoreland County native and Saint Vincent College graduate, was killed by an impaired driver on March 28, 2008. Unfortunately, our family is not alone in this type of loss. Over 10,000 families each year are destroyed by impaired drivers. TakeOff is a race to honor DUI victims, raise awareness about the seriousness of impaired driving, and encourage the community to have a positive influence in the reduction of impaired driving. All profits will go to the purchase of Preliminary Breath Test Devices (PBTs) for the Pennsylvania State Police and other law enforcement agencies throughout the Commonwealth.

PBT devices provide an estimate of blood alcohol concentration and are an essential tool used in the detection and removal of impaired drivers. The PBT unit can also enable the officer to rule out alcohol as the cause of impairment and determine drugs as a possible cause. The PBT should be a standard tool for each officer; instead there are stations that have none, share one, or have a few shared among many officers. To date, the Trooper Iwaniec Memorial Foundation has raised over \$1.3 million and donated 2,840 PBTs throughout the Commonwealth.

Last year's events were a tremendous success. With over 1,000 participants, we were able to raise over \$100,000. This year, we look forward to continuing our in-person event on the Saint Vincent College campus and providing virtual options to reach participants across the country. You can participate at various levels to help us achieve our 2025 fundraising goal of \$100,000, which will provide funding for 200 PBTs. Enclosed is a sponsorship form that explains the levels in greater detail. Take advantage of this unique opportunity to takeoff on the Saint Vincent College campus with us; with your help we can shape the future and save lives.

If you have any questions regarding the race or your donation, please contact us at 724-593-2520 or trooperiwaniec@hotmail.com. For additional information, including race registration, visit our website www.trooperiwaniec.org. Help us make the 16th annual TakeOff Race the most successful yet!

Sincerely,

Debra Iwaniec, President and Kenton's Mom

Acacia Houck, Vice President and Kenton's Sister
