

Trooper Kenton Iwaniec Memorial Foundation

All profits will go to the purchase of Preliminary Breath Test Devices (PBT) for the Pennsylvania State Police and other law enforcement agencies throughout the Commonwealth. PBT devices provide an estimate of blood alcohol concentration and are an essential tool used in the detection and removal of impaired drivers.

The Nemaquin Field Club

Woven throughout 150-acres of woodlands, valleys and pastures of the Laurel Highlands Mountains, the Nemaquin Field Club houses one of the nation's top sporting clay facilities.

Help TAKE Impaired Drivers OFF our Roads

Trooper Kenton Iwaniec loved hunting and the outdoors. To honor his memory and to help reduce the number of lives lost as a result of impaired driving, the Trooper Kenton Iwaniec Memorial Foundation will hold its 13th annual sporting clay event on August 24, 2024 at The Nemacolin Field Club. All profits will go to the purchase of breathalyzers (PBTs) for the Pennsylvania State Police and other law enforcement agencies throughout the Commonwealth. Participants of all skill levels are welcome. All teams will begin at 10:00 am in a shotgun start. Professional trappers will be positioned at each of the 17 stations. A complimentary shotgun will be at each station for those shooters who do not bring their own gun. Ammunition can be purchased at the event. For shooters who opt to bring their own ammunition, a minimum of 100 shells is needed. Shooters participating in the optional skill activities will need additional shells.
