

# The Spirit of Giving

The Lyn-CAG Head Start team has been very busy in the winter months. We were able to collect a little over \$2500 in donations from the community for the winter holidays. With these donations, we were able to help 18 families with Christmas gifts and even wrapping paper. Every child in each of our centers received a Holiday stocking, complete with snack items, a hat and glove set, socks, books and a toy. So much fun and excitement was happening that the Grinch had to come and visit for himself. We are super grateful to all of our community partners for bringing joy, hope and the genuine feeling of community to each of our families homes.

# Center Happenings

Our children have been having a blast learning about and exploring new things. Our dedicated teaching staff have planned some fun and engaging activities for not only the children but their families as well. We have explored several studies such as clothing, pets, buildings, and balls just to name a few. Even our health and nutrition department got in on the fun and provided a healthy snack and fun all wrapped in one activity. The children are excited for the weather to warm up so they can begin exploring outside.
