

Use this menu when planning a buffet-style event. Customize your menu and choose as many items as you'd like with a minimum order of ten servings of any one item, except lasagna, where the minimum is 25 servings.

Please call ahead and check for availability of the room you desire for your event. With buffet-style service, the Garden room holds 18, the Patio 55, and the main dining room 80. Keep in mind that capacity decreases when adding DJs and dance areas.

Rooms are free of charge for the first two hours, then extra charges may be applied.

Minimums are required for private accommodations.
