ALL SEMEN REQUESTS MUST BE CALLED IN.

The dates highlighted are semen collection days for the stallions standing at KMR.

Contacts must be received at the KMR office at least 48 hours to placing a semen request.

Shippment confirmations or cancellations must be completed by 8am (EST) on the day of shippment, or else will be considered a cancellation. When ordering a semen shippment, please give 24-hour advance notice.

Mares on premissis at KMR have breeding priority any given day; we can therefore make no guarantees that cooled semen will be available on any specific day.

Please note that FedEx and Airlines may have limited accessibility on weekends/holidays, so please plan accordingly.
