RECOVERY CARE

450 gms

FOOT PAIN RELIEF | MUSCLE RECOVERY |
BATH SALT FOR RELAXATION

The background is a dark, textured surface. It features a series of parallel, slightly wavy diagonal lines that run from the top-left towards the bottom-right. Overlaid on these lines are intricate, organic, and somewhat chaotic patterns that resemble topographical map lines or perhaps microscopic skin textures. The overall effect is one of depth and complexity.

ACTIVE DAILY SKINCARE

100 gm

**INSTANT COOLING TALC | SWEAT
ABSORPTION DURING & POST ACTIVITY**
